

ANIRBAN GOUTAM MUKHERJEE

TECHNICAL QUALIFICATION

MS Office, MS Excel, MS Powerpoint, Autodock, Autodock Vina, Discovery Studio, Pymol, Chimera, PyRx, Babble, SWISS-ADME, Endnote, Zotero

AREAS OF INTEREST

Network Pharmacology, Toxicology, Andrology and Cancer Biology

WORK EXPERIENCE

- Teaching cum Research Assistant, Vellore Institute of Technology, Tamil Nadu, India (2022-2024).
- Supervised the project entitled 'An in-silico approach to understand the efficacy of FDA-approved drugs in Arsenic-Induced Muscular Toxicity' [M.Sc. Dissertation]

RESEARCH EXPERIENCE

- Currently pursuing the Doctor of Philosophy degree in Reproductive Toxicology under the valuable guidance of Dr. Abilash V.G, Associate Professor Grade 2, at the School of Biosciences and Technology, Vellore Institute of Technology, Vellore, Tamil Nadu (January 2022-present).
- Fellow of SAKURA SCIENCE Exchange Program administered by the Japan Science and Technology Agency and University of Miyazaki, Japan
- Completed the CSIR-Summer Research Training Program (CSIR-SRTP), coordinated by CSIR-NEIST, Jorhat (June-August 2020).
- Completed the six-month M.Sc thesis entitled 'In silico molecular docking analysis of various phytocompounds against EGFR receptor to study cancer,' under the guidance of Dr. Gothandam K.M, at School of Biosciences and Technology, Vellore Institute of Technology, Vellore, Tamil Nadu (January- June 2021).

SPECIALIZATIONS

- 'Specialization in Cancer Biology - 3 Courses' authorized by the Johns Hopkins University via the Coursera platform
- 'Specialization in Fundamentals of Immunology - 4 Courses' authorized by the Rice University Graduate and Postdoctoral Studies via the Coursera platform

B.Sc. (University Topper and Best student award), M.Sc. (University Topper and Gold Medalist, Ph.D. (Thesis submitted)

SUMMARY

Mr. Anirban is a Research Fellow at the School of Biosciences and Technology (SBST) at the Vellore Institute of Technology. He is a committed researcher who specializes in studying Andrology and Prostate cancer. His research focuses on understanding the intricate mechanisms behind the action of heavy metals and metalloids-induced male reproductive toxicity. His work aims to make a substantial contribution to the battle against male infertility and prostate cancer.

EDUCATION

VELLORE INSTITUTE OF TECHNOLOGY

- Reproductive Toxicology, Cancer Biology
- Recipient of the prestigious Raman Research Award and Dr. APJ Abdul Kalam Award

VELLORE INSTITUTE OF TECHNOLOGY

- University Topper and Gold Medalist (9.7 CGPA)
- Recipient of the prestigious M/S. J.K. Pattabirama Chettiyar Family Trust Endowment Award (2020-2021) and merit scholarship (2019-2021)
- Programme Representative (2020-21)

RTM NAGPUR UNIVERSITY

- University Best Student award (B.Sc: 87.63%)
- University Topper in Biosciences and Fifth merit overall

THE CHANDA DEVI SARAF SCHOOL

- City and zonal topper (ICSE: 94.17% ; ISC: 89.4%)

RESEARCH HIGHLIGHTS

- Total number of Q1 and Q2 publications (SCOPUS, SCI, SCIE indexed): 53
- Citations: 1062 (Google Scholar); Cumulative Impact Factor: 266.038
- h-index: 16; i-10 index: 27 (Google Scholar)
- Number of First authored publications: 34
- Number of single-authored publications with guide: 8
- Research profile links: [Google Scholar](#) [SCOPUS](#) [Web of Science](#) [SciProfiles](#)

MEMBERSHIPS AND VOLUNTEER EXPERIENCES

- Academic Editor at PLoS ONE (ISSN:1932-6203) (2024-Present)
- Review Board Member of Acta Scientific Cancer Biology (ASCB) (ISSN: 2582-4473) from Acta Scientific Open International Library (2021-Present)
- Invited Reviewer [2021-Present] for Scientific Reports (Nature), Biomedicine & Pharmacotherapy, The World Journal of Men's Health, Nutrients, International Journal of Molecular Sciences, International Journal of Environmental Research and Public Health, Molecules, Metabolites, Biomass Conversion and Biorefinery, Diagnostics, Life, Applied Sciences, Medicina, Chemical and Process Engineering, Surgeries, Functional & Integrative Genomics, Apoptosis, Journal of Cancer research and Clinical Oncology, Probiotics and antimicrobial proteins, Medical Oncology, Tissue and Cell

CERTIFICATIONS

- Introduction to Breast Cancer: Yale University, Connecticut
- The Science of Stem Cells: American Museum of Natural History, New York
- Genomics: Decoding the Universal Language of Life: University of Illinois at Urbana-Champaign
- HPV-Associated Oral and Throat Cancer: Icahn School Of Medicine at Mount Sinai, New York
- Thoracic Oncology: Michigan University, Michigan
- DNA Decoded: McMaster University, Ontario
- Bioenergy IIT Kanpur, Kanpur, India
- Human Molecular Genetics, IIT Kanpur, Kanpur, India
- Understanding Prostate Cancer: Johns Hopkins University, Maryland
- Extracellular vesicles in health and disease: University of California, Irvine
- Stanford Introduction to Food and Health: Stanford University School of Medicine
- AIDS: Fear and Hope: University of Michigan
- Introduction to Reproduction: Northwestern University
- Drug discovery: University of California, San Diego
- Bacteria and Chronic Infections: University of Copenhagen
- Stories of infection: Stanford University
- Basic Principles of Cell Signaling: Korea Advanced Institute of Science and Technology (KAIST)
- Biochemical Principles of Energy Metabolism: Korea Advanced Institute of Science and Technology (KAIST)
- Genes and the Human Condition (From Behavior to Biotechnology): University of Maryland

PERSONAL PROFILE

- **Name:** Anirban Goutam Mukherjee
- **Gender:** Male
- **Date of birth:** 28/02/1998
- **Nationality:** Indian
- **Father's name:** Goutam Mukherjee
- **Mother's name:** Soma Mukherjee
- **Linguistic ability:** English, Hindi, Bengali, German (Beginner)
- **Permanent address:** Ward No. 1, Near water tank, Basudevpur, Arambagh, Hooghly, West Bengal, 712601

TRAININGS/SEMINARS/CONFERENCES ATTENDED

- Participated in the **SAKURA SCIENCE Exchange Program** administered by the **Japan Science and Technology Agency** and the **University of Miyazaki, Japan** (November 10-16, 2024).
- Participated in "SERB-Karyashala sponsored High-end hands-on workshop on "Diagnostic and Translational Research using miRNA (Non-coding RNA) in Human Induced Pluripotent Stem Cells (HiPSCs) for Personalized Medicine" (March 11-20, 2024).
- Participated in the **International Conference on Advances and Challenges in Life Science Research (VELS University)** (April 12-13, 2022).
- Participated in 'Workshop on Human cell culture techniques' organized by the **School of BioSciences and Technology (SBST), Vellore Institute of Technology, Vellore** (March 28-April 2, 2022).
- Attended the webinar on "Use of laboratory animals for biomedical research" organized by the **School of BioSciences and Technology (SBST), Vellore Institute of Technology, Vellore** (January 27-29, 2022).
- Participated in the 'International E-Workshop on Bioinformatics' sponsored by the Department of Biotechnology, **Delhi Technological University (DTU), Delhi** (December 14-18, 2020).
- Participated in the **Virtual Workshop on Advanced Instrumentation** jointly organized by the **School of BioSciences and Technology (SBST), Vellore Institute of Technology, Vellore** in association with the **Anchrom Enterprises, Beckman Coulter Life Sciences, SCIEX, Spinco Biotech Pvt Ltd. And Toshvin Analytical Pvt Ltd.** (November 23-28, 2020).
- Participated in the short-term training program 'Biotechnology and its application in tribal agriculture areas' sponsored by the **All-India Council for Technical Education (AICTE)** and organized by **Ballarpur Institute of Technology, Ballarpur.** (December 21-27, 2020).

CO AND EXTRA-CURRICULAR ACTIVITIES

- **University Representative in Avishkar 2018** at Gondwana University, Gadchiroli.
- The first winner in State level seminar competition (SCINTILLATION 2019), Wardha, Maharashtra
- The first winner in State Level Seminar competition in Chemistry organized by Porwal College, Nagpur, Maharashtra
- The second winner in Technical Model Exhibition organized by CSIR NEERI (SYNEERGIA 2019), Nagpur, Maharashtra
- Captain of college Debate Team (2016-2019)
- More than 100 best speaker awards in debate and elocution competitions in various state level and intercollegiate Level competitions (2016-2019)
- President of College Students' Council (2018-2019)
- Head and President of College Chemical Society (2018-2019)
- Editor of college daily (2018-2019)
