Objective

To work in a position that utilizes my knowledge, experience and give me the opportunity to grow professionally. I would like to utilize my knowledge, skills and expertise which may result the betterment of agricultural field and the organization.

Educational qualifications

Degree	Year of Completion	Name of Institute	Specialization	Percentage/ CGPA
Ph.D. (Horticulture)	2024	Uttar Banga Krishi Viswavidyalaya	Floriculture and Landscape Architecture	8.75
M.Sc. (Horticulture)	2020	Uttar Banga Krishi Viswavidyalaya	Floriculture and Landscape Architecture	8.46
B. Sc. (Horticulture)	2018	Uttar Banga Krishi Viswavidyalaya	Horticulture	7.79
Higher Secondary	2014	Manindra Nath High School	Science Stream	81.6%
Madhyamik (10 th)	2012	Manindra Nath High School		86.85%

- ❖ Thesis of **Masters of Science (Horticulture)** in Floriculture and Landscape Architecture entitled “**Standardization of Bio-Pigment Extraction Techniques from Flowers of Some Landscape Ornamentals**” where I have extracted bio-pigments from different landscape ornamentals through different aqueous extraction methods.
- ❖ Thesis of **Ph.D. (Horticulture)** in Floriculture and Landscape Architecture entitled “**Performance of Chrysanthemum (*Dendranthema grandiflora* Tzvelev) cultivars and its response to organic management practices**” where I have evaluated 35 different large flowering chrysanthemums under Terai region of West Bengal, applied different organic nutrients such as bio-stimulants (Kunapajala, Jeevamrutha, Seaweed extract) along with different levels of mulching to assess the effect of organic nutrients and mulching on growth, development and flowering of chrysanthemum variety Snowball and evaluated different biostimulants for enhancing vase life of chrysanthemum.

Work Experience

Sl. No.	Positions	Organization name	Duration	Responsibility
3.	Subject Matter Specialist	Professional Assistance for Development Action (PRADAN)	14 th August, 2024 - Present	• To guide, train, knowledge enhancement of community service providers (CSP), leaders of Community Institutions and community people towards environment friendly practices. • To facilitate community on preparing environment friendly Village development Plan incorporating measures of INRM and regenerative practice of farm livelihoods, introducing climate resilient technologies. • To work with PRI, Block Administration and other line departments to incorporate community plan into the Annual Action Plan of various Government programmes and help in execution of plans. • To facilitate various trainings, exposures, events on farm and allied livelihood activities for the community, CSPs, producers' group, Government and PRI functionaries, • To facilitate PG wise seasonal plan on crop, farmer, area; assessment of PG wise progress, problem identification & finding way out; aggregation mechanism, exchanges of learning, • Deliver theoretical lectures and conducted practical class of the farmers from the Scheduled Caste community for the training programme on "Nursery Management of Horticultural Crops" under ICAR, SC-SP, 2023-24.
2.	Resource Person	Uttar Banga Krishi Viswavidyalaya	23.02.2024-23.03.2024	
1.	Research Scholar	Uttar Banga Krishi Viswavidyalaya	4 th March, 2021 – 13 th August, 2024	•Research activities in floriculture, landscaping and commercial flowers

Number of Publications

Research papers	Book Chapters	Popular Articles	Leaflets
13	4	3	2

Number of professional training

National Seminar	International seminar	Training programmes or workshops
8	7	10

Scientific Community

- Acted as a reviewer of Journal of Experimental Agriculture International.
- Acted as a reviewer of Asian Journal of Soil Science and Plant Nutrition.
- Acted as a reviewer of International Journal of Plant & Soil Science.

Accomplishments

- ✓ Received University research scholar fellowship in Uttar Banga Krishi Viswavidyalaya.
- ✓ Received **The Student Scientist of the Year Award 2024**, conferred by The Cooch Behar Association for Cultivation of Agricultural Sciences (COBACAS) and Uttar Banga Krishi Viswavidyalaya.
- ✓ Secured the Departmental topper position in Masters of Science (Horticulture) in the Dept. of Floriculture, Medicinal and Aromatic Plants, under the Faculty of Horticulture, Uttar Banga Krishi Viswavidyalaya.
- ✓ Received **Best M.Sc. Thesis award**, by the Conference Award Screening Committee for **9th International Conference-(ICANFTA-2025)** jointly organized by *ICAR-CRIJAF, Kolkata; Brainware University, Kolkata, ISAHRD, Chandigarh.*

Skills

- Computer (MS Word, MS Powerpoint, MS Excel etc.), AUTOCAD
- SPSS, DOSBOX, DARWIN, R
- Landscaping Design Layout for gardens, public parks, home, avenue, industry, institutions, roads etc.
- Management of Horticultural Crops specially Floricultural Crops
- Research and develop new methods for growing and propagating plants
- Study plant genetics and breeding to create new plant varieties
- Management of greenhouse and nursery operations
- Train and supervise staff or personals
- Plan and carry out research experiments
- Present research findings at scientific conferences and publish research papers in scientific journals
- Orchard management, intercropping, Silvopasture, regenerative agriculture
- Organic management practices, Production and application of different enriched organic manures, bio-stimulants and bio-fertilizers

Training and Workshop

1. Completed six month Rural Horticultural Work Experience (RHWE): Placement in Villages programme under Student Rural and Entrepreneurship Awareness Development Yojana (READY) in 7th semester of B. Sc. (Hons.) Horticulture programme.
2. Completed six month Rural Horticultural Work Experience (RHWE): Placement in Industries programme under Student Rural and Entrepreneurship Awareness Development Yojana (READY) in 7th semester of B. Sc. (Hons.) Horticulture programme.
3. Completed six month Experiential learning Programmes on ‘**Protected Cultivation of High Value Horticulture Crops**’ under Student Rural and Entrepreneurship Awareness Development Yojana (READY) in 8th semester of B. Sc. (Hons.) Horticulture programme.
4. Completed six month Experiential learning Programmes on ‘**Mass Multiplication of Plant and Molecules through Tissue Culture**’ under Student Rural and Entrepreneurship Awareness Development Yojana (READY) in 8th semester of B. Sc. (Hons.) Horticulture programme.
5. Completed one week long "**Workshop cum Hands on Training**" in Green house management, drip irrigation fundamentals, plant management in *Gerbera*, *Lilium*, *Anthurium*, *Dendrobium* & *Vanda* orchids at Bandhunagar Agro Farms, Jalpaiguri during 12-18 February, 2018.
6. Participated one day workshop on "**Farming Diversity for Doubling Farmer's Income**" organized by Cooch Behar Association of Cultivation of Agricultural Sciences (COBACAS) on 18th September, 2018 at Uttar Banga Krishi Viswavidyalaya.

7. Participated three days workshop cum training programme on "**Diagnosis and Detection of Plant Diseases**" held during 9th October to 11th October, 2023 Under Niche Area of Excellence Programme, Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar.
8. Participated 21 Days International Training Cum Certificate Course (ITCC) On "**Technology Innovation in Agriculture, Horticulture, Animal Husbandry, Fisheries, Sericulture and Allied Sectors for Sustainable Entrepreneurship**" held during 16th June 06th July, 2023 jointly organized by College of Horticulture and Forestry, Central Agricultural University Pasighat-Arunachal Pradesh, Agro Environmental Development Society, Rampur, Uttar Pradesh, Tribhuvan University Research Centre for Applied Science and Technology (RECAST), Kathmandu, Nepal and University of Debrecen, Faculty of Agricultural and Food Sciences and Environment Management, Institute of Plant Protection, Debrecen, Hungary.
9. Participated in the Farmers training programme on **Commercial Cultivation Technique of Asiatic Lily** held at Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar, West Bengal on 21.03.2023, under the Department of Science and Technology and Biotechnology, Government of West Bengal funded project:- "Technology Standardization for Lab to Land of Asiatic Lily for Development of Tribal Community in Terai-Dooars Region of North Bengal under Phase-I" at Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar, West Bengal.
10. Participated online training programme on '**Basics of Landscape Design using CAD**' organized by Centre for e-Learning, Kerala Agriculture University, Thrissur during 08th to 12th July, 2024.

Seminars and Symposiums

1. Participated and presented a work entitled "**Morphological Characterization of *Phalaenopsis* genotypes under Terai Agri-ecological condition of West Bengal**" in the 3rd International Conference on " Global Initiatives in Agricultural and Applied Sciences for Eco Friendly Environment (GIASE-2019) during 16-18 June, 2019 at Conference Hall, Tribhuvan University, Kathmandu, Nepal organized by Agricultural Technology Development Society (ATDS), Gaziabad, Uttar Pradesh, India.
2. Participated and presented a work entitled "**Harvesting stage and dehydration methods govern the quality and shelf life of *Helichrysum* dry flowers**" in the 3rd International Conference on " Global Initiatives in Agricultural and Applied Sciences for Eco Friendly Environment (GIASE-2019) during 16-18 June, 2019 at Conference Hall, Tribhuvan University, Kathmandu, Nepal, organized by Agricultural Technology Development Society (ATDS), Gaziabad, Uttar Pradesh, India.
3. Participated and presented a work entitled "**In vitro seed propagation of *Dendrobium moschatum* as influenced by different plant growth regulator**" in the DBT & DST-SERB (Govt. of India) Sponsored International Conference on " Advances in Plants, Microns and Agricultural Sciences" during 2-4th March, 2023 at The Department of Botany, University of North Bengal, West Bengal, organized by DST (FIST) & UGC-SAP assisted DRS.
4. Participated and presented a work in the Carbon Management Awareness Day entitled, "Forest Conservation and Sustainable Land-Use for Ecosystem Restoration and Climate Change Mitigation" on 29th March, 2023 organized by Department of Forestry, Faculty of Horticulture, m Uttar Bange Krishi Viswavidyalaya, Pundibari, Cooch Behar.

5. Participated and presented a work entitled "**Extraction method influences the anthocyanin and carotenoid content of bio-pigments from flowers**" in the 6th International Symposium on " Minor Fruits, Medicinal & Aromatic Plants: Health, Wealth and Sustainability" during 24-26th November, 2022 at Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar, West Bengal, organized by Society of Minor Fruits, Medicinal & Aromatic Plants, Cooch Behar Association For Cultivation of Agricultural Sciences, NAHEP-IG.
6. Participated and presented a work entitled, " **Effect of different organic sources of nutrients on growth and flowering of spray Chrysanthemum** " in 9th Annual Convention and National Webinar on "Managing Agro-Chemicals for Crop and Environmental Health", 25th February, 2022 organized by Society for Fertilizers and Environment.
7. Participated and presented a work entitled, "**Standardization of Bio-pigment Extraction Techniques from some Red Flowering Landscape Ornamentals**" in National Symposium on "Ornamental and Edible Horticulture: Emerging Challenges and Sustainable Goals" held during 21-22th February, 2022, organized by Department of Floriculture and Landscaping, Faculty of Horticulture, Bidhan Chandra Krishi Viswavidyalaya, Mohanpur, Nadia.
8. Participated and presented a work entitled, "**Natural Dye: The Emerging Industry of Post-Covid Period**" in National Conference on "Technological Advancement, Innovation and Entrepreneurship Development in Agriculture and allied Sectors" held during 16th -18th March, 2023, organized by ICAR-NAHEP-IG, Directorate of Extension Education, Uttar Banga Krishi Viswavidyalaya, Pundibari, West Bengal.
9. Participated and presented a work entitled, "**Influence of organic nutrient sources and mulching on growth and flowering of Chrysanthemum var. Snowball in Terai region of West Bengal**" in the National Seminar on "Climate Resilient and Input efficient Agriculture for Food and Nutritional Security", held during 19th -20th January 2023, organized by Directorate of Research, Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar , West Bengal.
10. Participated and presented a work entitled, "**Efficacy of bio-stimulants for quality production of horticultural crops**" in the National Seminar on "Horticulture for Sustainable Development Nutritional & Livelihood Security" held during 26th- 27th May, 2022; Organized by National Agricultural Higher Education Project Innovation Grant, at Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar, West Bengal.
11. Participated and presented a work entitled, "**Bio-pigment Extraction Techniques from Three Yellow Flowering Landscape Ornamentals**" in the National Seminar on "Horticulture for Sustainable Development Nutritional & Livelihood Security" held during 26th- 27th May, 2022; Organized by National Agricultural Higher Education Project Innovation Grant, at Uttar Banga Krishi Viswavidyalaya, Pundibari, Cooch Behar, West Bengal.
12. Participated and presented a work entitled, "**Indian Ornamental Plants in Ayurvedic Therapy**" in the National Seminar on "Cultivation, Conservation and Sustainable Utilization of Medicinal Plants for Livelihood Improvement" held during 20th- 21th November, 2019; Organized by Department of

Forestry, Uttar Banga Krishi Viswavidyalaya, Pundibari in association with National Medicinal Plants Board, Ministry of Ayush, Government of India.

13. Participated and presented a work entitled, "**Extraction of Bio-Pigment from Three Blue Flowering Landscape Ornamentals**" in International Conference on Agricultural Innovations for Sustainable Development Goals with Special Focus on Natural Farming (AISDGONF-2023) held during 30th September to 2nd October, 2023, organized by Crop and Weed Science Society (CWSS), at the Farmers' Academy & Convention Centre, BCKV, Kalyani, Nadia, West Bengal, India.
14. Participated and presented a work entitled, "**Bio-Stimulants Enhance Soil Nutritional and Microbial Properties**" in International Seminar Current Advancements in Modern Biology held during 25th October, 2024, organized by Department of Physiology, Botany, Zoology and Food & Nutrition, in association with IQAC, University of Gour Banga, Malda, West Bengal, INDIA.
15. Participated and presented a work entitled, "**Effect of Bio-stimulants for enhancing vase-life of chrysanthemum**" in International Conference on AGRI-NEXT: FUTURE TRENDS IN AGRICULTURE held during 10-12 FEB, 2025, Organized by Dept. of Agriculture, Brainware University, Kolkata; Just Agriculture Education Group Isahrd, Chandigarh.

Personal Details

Date of Birth: 24th October, 1996

Father's name: Mr. Sekhar Sarkar

Mother's Name: Mrs. Kakali Sarkar

Marital status: Single

Nationality: Indian

Language known: Bengali, English, Hindi

Permanent Address: Vill: Madhya Kalarayer Kuthi (Subhaspalli), P.O.+P.S.: Pundibari, Dist.: Cooch Behar, State: West Bengal, Pin-736165

Phone: 7001294639

Disclaimer

I hereby declare that the details furnished above are true to the best of my knowledge and belief. In case any of the above information is found to be false or untrue or misleading or misrepresenting, I am aware that I may be held liable for it.

Place: Pundibari, Cooch Behar, West Bengal, India

Date: 27/02/2025
