CAREER OBJECTIVES

As a Research Scholar of Diaspora Studies and Political Science, my career objectives are to use my knowledge, experience and expertise in the field of Political Science and Diaspora Studies to further the research and teaching goals of the institution I will be employed at. I strive to create an engaging and meaningful learning environment for my students.

Additionally, I seek to collaborate with our Faculty and Staff to design, develop, and implement high quality research and teaching materials to ensure the success of our students.
