

Curriculum Vitae

NAME: AKHILESH SINGH

Personal Details:

Gender : Male
Marital Status : Married
DOB : August 16th, 1989
Nationality : Indian
Mobile number : 8988327737, 8988999397

Educational Qualifications:

Course	OGPA	Year of Completion	Board/University
Ph D Ag. (Vegetable Science)	7.34	September-2019	CSKHPKV, Palampur
M.Sc. Ag. (Vegetable Science)	7.08	December-2013	CSKHPKV, Palampur
B. Sc. (Agriculture)	7.12	June-2011	CSKHPKV, Palampur

M.Sc. Thesis Title: “Genetic evaluation of bacterial wilt resistant tomato (*Lycopersicum esculentum* L.) hybrids under protected environment”

PhD Thesis Title: “Gene action studies for fruit yield and horticultural traits in okra (*Abelmoschus esculentus* (L.) Moench)”

ASRB-NET status: Qualified in 2021 (Vegetable Science)

Experiences/ Trainings:

- Rural Agricultural Work Experiences (RAWE) during B.Sc. Agriculture

- **Industrial Training:** Attended industrial trainings in various agro based industries during RAWE programme.

- Job Experience:

- Served as Agriculture Expert in HP-Crop Diversification Project, JICA (Japan International Co-operation Agency) Baijnath, District Kangra, (H.P.) for 4 months and 2 days w.e.f. 05/09/2014 to 07/01/2015.
- Worked as RG NFSC research fellow (JRF & SRF) for UGC during PhD research period.
- Worked as Assistant Professor Agriculture (Vegetable Science) in university institute of agriculture at SBBSU, Khiala, Jalandhar from July 2022 to June 2024.

Languages Known:

✓ English, Hindi and Punjabi

(Possess working knowledge of computers and MS office)

List of Publications:

(a) Original Research papers published in referred journals:

1. **Akhilesh Singh**, Sonia Sood and VK Sood. 2019. Detection of epistasis and estimation of additive and dominance components of genetic variation for fruit yield and horticultural traits in okra (*Abelmoschus esculentus* (L.) Moench). *International Journal of Current Microbiology and Applied Sciences* 8(7): 747-756 (NAAS Score 5.38)
2. **Akhilesh Singh**, Sonia Sood and Sanjay Chadha. 2019. Combining ability studies for fruit yield and horticultural traits in okra (*Abelmoschus esculentus* (L.) Moench). *International Journal of Chemical Studies* 7(5): 2890-2894 (NAAS Score 5.31)
3. **Akhilesh Singh**, Sonia Sood and Amandeep Kaur. 2019. Estimation of heterosis for fruit yield and horticultural traits in okra (*Abelmoschus esculentus* (L.) Moench). *Journal of Pharmacognosy and Phytochemistry* 8(5): 2275-2280 (NAAS Score 5.21)
4. **Akhilesh Singh**, Ravneet Kaur, Rajesh Kumar and Vijay Singh. 2024. Growth and yield parameters of pea (*Pisum sativum* L.) as influenced by different priming treatments. *International Journal of Advanced Biochemistry Research* 8(5): 888-891

5. Samiullah Samim, Sonia Sood and **Akhilesh Singh**. 2018. Genetic assessment for fruit yield and horticultural traits in okra (*Abelmoschus esculentus* (L.) Moench). *International Journal of Current Microbiology and Applied Sciences* 7(10): 947-957 (NAAS Score 5.38)
6. Samiullah Samim, Sonia Sood, **Akhilesh Singh**, Anuradha Verma and Amandeep Kaur. 2018. Morphological characterization of okra (*Abelmoschus esculentus* (L.) Moench). *International Journal of Current Microbiology and Applied Sciences* 7(10): 2011-2019 (NAAS Score 5.38)
7. Amandeep Kaur, Sonia Sood, VK Sood, Sanjay Chadha and **Akhilesh Singh**. 2019. Genetic analysis of quantitative and quality traits in okra under sub-temperate conditions of north western Himalayas. *International Journal of Current Microbiology and Applied Sciences* 8(8): 492-504 (NAAS Score 5.38)
8. Rajesh Kumar, Anil Kumar Singh, **Akhilesh Singh**, Ajitpal Singh and Renuka. 2024. Influence of different concentrations of auxins and a broad spectrum fungicide on pre harvest fruit drop, physical and biochemical parameters of kinnow mandarin (*Citrus reticulata* Blanco). *International Journal of Advanced Biochemistry Research* 8(3): 836-847 (NAAS Score 5.29)
9. Parveen Sharma, **Akhilesh Singh**, Pardeep Kumar and Neelam Bhardwaj. 2015. Inter-relationship for various components and path co-efficient analysis in tomato (*Solanum lycopersicum* L.). *Advance Research Journal of Crop Improvement* 6(2): 78-87 (NAAS Score 3.86)
10. Parveen Sharma, **Akhilesh Singh**, Pardeep Kumar, Neelam Bhardwaj and Shobha. 2016. Ecological effect of protected environment on quality traits of bacterial wilt resistant tomato (*Solanum lycopersicum* L.) hybrids. *Environment & Ecology* 34(4A): 1997-2001 (NAAS Score 5.25)

(b) Abstracts:

1. **Akhilesh Singh**, Parveen Sharma and Vimlesh Kumar. 2015. Evaluation of tomato hybrids (*Solanum lycopersicum* L.) under naturally ventilated polyhouse for yield attributing traits. Second National Seminar on Hi-Tech Horticulture, Challenges and Opportunities, Organized by Baba Saheb Ambedkar University, Lucknow.
2. Samiullah Samim, Sonia Sood and **Akhilesh Singh**. 2018. Variability studies for fruit

yield and horticultural traits in YVMV resistant genotypes of okra under mid-hill conditions. Conference On Doubling Farmers Income: Challenges and Strategies- April 23-24, 2018, CSKHPKV, Palampur

Conferences:

1. National conference on “Empowering sustainability: Bridging Science, Technology and Climate Resilience” from January 17th-19th 2024 held at SBBSU Khiala Jalandhar.
 2. International Conference on “Innovative Approaches in Agriculture, Horticulture and Allied Sciences” from 29th-31st March 2023 held at SGT University, Gurugram.
 3. National Conference on “Doubling Farmers Income: Challenges and Strategies” from April 23rd-24th 2018 held at CSKHPKV Palampur.
 4. National Conference on “Seabuckthorn: Emerging Trends in Production to Consumption” from February 16th-18th 2010 held at CSKHPKV Palampur.
