## Objective

To secure a challenging position as an Assistant Professor in Mathematics, where I can contribute to academic excellence through innovative teaching, meaningful research, and active engagement in departmental and institutional development.

## Educational Qualifications

| Degree       | Branch/ Subject  | Year | Board/University   | CGPA/Percentage |
|--------------|------------------|------|--------------------|-----------------|
| M. Sc.       | Math & Computing | 2015 | IIT(ISM), Dhanbad  | 7.69            |
| B. Sc.(H)    | Mathematics      | 2013 | Ranchi, University | 84.13           |
| Intermediate | Science          | 2009 | J.A.C, Ranchi      | 60              |
| High School  | General          | 2007 | J.A.C, Ranchi      | 75.6            |
| Any Other    |                  |      |                    |                 |

## Details of PhD:

- **PhD Thesis Title:** Methods for Solving Linear Fractional Programming problems under Fuzzy Environment.
- **Mode of PhD (Full Time/Part Time):** Full Time
- **Name of the University:** NIT Jamshedpur
- **Date of Registration:** 07 March 2018
- **Date of completion:** 04 Nov 2023

## Teaching Experience

- Assistant Professor, Department of Mathematics, GLA University, From 25 October 2023 – Present.
- Guest Faculty, Sher Shah Engineering College, Sasaram, Bihar, From 10.10.2022 to 09.10.2023

## Subject Taught or Comfortable to Teach:

- Probability and Statistics, Complex Analysis, Linear Algebra, Discrete Mathematics, Fuzzy Logic, Statistical inference, Operation Research, Engineering Mathematics I, II.

## Academic Responsibility:

- Time Table In charge of the mathematics department at GLA University, Mathura.
- NAAC Member

## Research Interests

- Linear Programming & Fuzzy Systems, Optimization techniques.

## Publications

5. Sapan Kumar Das, **Rajeev Prasad**, Tarni Mandal: Triangular Neutrosophic Linear Fractional Programming Problem with Interval Cost. *International Conference on Mathematics, Statistics, Computers & Information Sciences 2021* at REd Talks International Research Division, Vijayawada, Andhra Pradesh, India July 09-10,2021. (**Paper presented and published at the international conference**).

## Conferences/Seminars Attended

- Participated & presented a paper entitled “*Development of a new method for Solving Multi-objective Linear Fractional Programming problems under Neutrosophic Circumstances*” at the International Conference on Mathematical Analysis and Applications (ICOMAA-2022) organized by the department of mathematics, University of Kalyani, India, during June 28-29, 2022 in virtual mode.
- Participated in three-day Online *International Conference on Recent Advances in Computational Mathematics & Engineering*, held from 19/03/2021 to 21/03/2021 at B K Birla Institute of Engineering & Technology, Pilani.
- TEQIP-III sponsored short-term course on “*Latex Programming*”, organized by Department of Applied Mathematics, National Institute of Technology (NIT) Jamshedpur, Jharkhand, India, from the 8<sup>th</sup> – 13<sup>th</sup> July 2019.

## Awards and Achievements

- Qualified CSIR-NET-2016 in Mathematical Sciences (Rank-88).

## Technical Skills

- Programming language: C
- Software known: Lingo, LaTeX
- Mathematical Software: MATLAB, Mathematica, LaTeX
