74	ICSBD-2013 Safety by design 05/08/2013	0.10	ISTE, New Delhi	Completed

17. Details of UG / PG Projects / Dissertations / Mini Projects Guided, If Any:

Title	UG/ PG	Important Contribution/Results Achieved
Detection and identification of high-quality cereals using automated grain analysis Analysis deep learning image processing algorithm analysis	PG	It is found that morphological features of rice were the main focus of researchers to attain high accuracy in determining quality or grading of rice.

COVID-19 diagnosis from CT scan images using prior-attention residual learning approach 5G MIMO Antenna design and simulation on MATLAB with particle swarm optimization.	PG PG	Detection of Images using Deep learning is better and cost-effective 5G MIMO technology enhances the data transmission speed and shows resistance to multiple path fading effects.
Design and Development of an Electromagnetic Engine for a car for zero pollution and regeneration	UG	Technically viable to reduce the cost of the fuel and achieve zero emissions, and increase flexibility in vehicle maintenance operations Funded by KSCSTE.
Design and development of a wireless chlorine leak control system using LabVIEW integrated cloud server.	PG	Socially responsible, safety, and reliability in the operation of the disposal of explosive chemicals. This is part of IoT-based health care under the Technology business incubation. Processing for patentship with further modification
Coordinate control of ZC VS and active power flow control with ACO in GCC under unbalanced conditions.	PG	Continuation of research in power quality in grid-connected converters achieved a better result.
Direct axis control of torque rebalance loop for a two degree of freedom freeform gyroscope.	PG	The ISRO project is intended to replace the dynamically poor with added dynamics.
The development and implementation of a multichannel data logger system using g programmable gain amplifier for optimum gain and	PG	This approach is very new, increasing the flexibility and reliability
Implementation of PMSM-based field-oriented control using a fusion FPGA for gimbal control of moment gyro control to improve the performance of reaction wheels in IRS spacecrafts.	PG	The degree of freedom in the spacecraft for image capturing is improved.
Automatic demand side management system using a novel algorithm of SCADA-based load dispatch centre	PG	The traditional system of load dispatch has been replaced with a computer-aided system to increase the power delivery without outage and improve the precision in the power system operation and control.
FECG extraction from maternal ECG using extended Kalman filter and wavelet denoising for proper measurements during pregnancy.	PG	Effective denosing the original signals assists doctors in precise diagnostic tests to ensure the safety and economic this project. Implemented under TBI health care.
Control of upper limb prostheses using EMG and EEG Signals	PG	Paralysed patient care system with this method, patients can perform virtual movement of the upper limbs. This project was done under TB I Health Care. Applied for a patent.
Hazardous gas leakage detection system	PG	Domestic and industrial places to get alerted by buzzer, and fire-fighting locations to ensure safety and life-saving

Virtual scissor	UG	The scissors have two degrees of freedom of motion and force feedback, one for cutting (single blade rotation) and one for translations on the business product, applied for patents hip.
Cable length reader	UG	Sensor-based length detector. Business model el precise length is possible to avoid human errors in the commercial sectors.
Design and development of a Solar power system for greater efficiency	UG	Redesign of solar panel to or greater isolation, low cost
Auto tracking MPPT solar panel. Two degrees of freedom.	UG	Microcontroller-based system changes the direction based on the angle of incidence.
IoT-based patient monitoring system	PG	IoT-based healthcare system.
Virtual power factor monitoring system	UG	Arduino technology is used
Smart railway coach fully automatic water filling system	UG	Artificial intelligence systems save water and save manual filling time.
PLC-based Precise parts a Assembling a fault detection system	UG	The Titan factory project the efficiency of the P LC machines improved by 18%
VandeeGraff generator	UG	Demonstration. Project exhibition model for all project exhibitions.
Tesla coil	UG	Demonstration. Project exhibition model for all project exhibitions.

18. Seminars / Workshops:

A separate list has been enclosed	22	04	16	02

Note: Enclose list of Seminars, Conferences, Workshops organized, Chaired participated.

19. CONFERENCE/SYMPOSIUM/WORKSHOP/SEMINAR ORGANIZED

- 1 Webinar by ARK Info solutions on the Design of Reconfigurable Antennas using

ANSYS HFSS held on 7th Aug 2024

- 2 Energy Management Centre and BEE Kerala sponsored a Technical Seminar on Clean and Green Energy will be held on May 31, 2024, for one day.
- 3 National Corel Technology organized a webinar on 5G/6G - The Future of Intelligent Connectivity for one day.
- 4 National Corel Technology also organized a webinar on Hardware Integration using MATLAB & Simulink for one day.
5. KSUM, a State organization, hosted an online session on Agro-Processing & Agri-Tech entrepreneurship. The webinar was titled "Powering New Ideas through Biotechnology Ignition Grant (BIG) and India Health Fund's Support" and was also for one day.
- 5 Corel Technologies in Bangalore, a State-based organization, is organizing a one-day webinar for students on VLSI Technologies.
- 6 NSDC and MSDE Minister/MoS virtually launched initiatives related to skill training in Kerala for one day.
- 7 RINK-KSUM, a State organization, initiated the preliminary discussion on setting up a unit of TrEST Research Park in Academic Institutions for one day.
- 8 DigiToad Technologies, a national organization, hosted a 3-day free online workshop on VLSI SoC Design using Verilog HDL.
- 9 IDS SOFT sponsored the Bharath Blockchain Yatra for one day.
- 10 APJAKTU sponsored an FDP on Advanced Architectures & Embedded Systems for one week, from April 24, 2023, to April 28, 2023.
- 11 APJAKTU also sponsored an FDP on Processing of Satellite Imagery & Remote Sensing Data Opportunities & Applications for one week, from December 5, 2022, to December 9, 2022.
- 12 AICTE-ISTE sponsored a Faculty Refresher Programme on Technology-Driven Healthcare Systems for one week, from January 18, 2022, to January 25, 2022.
- 13 APJAKTU sponsored FDP on Industrial Instrumentation and Automation for one week from September 14, 2021, to September 19, 2021.
- 14 JSITE-2022 State-level Project expo held on 6th July 2022 at Jawaharlal College of Engineering and Technology, Lakkidi, in association with Ramco Cement Pvt Ltd.
- 15 AICTE-ISTE sponsored Refresher Programme on "Technology Driven Health Care systems" for 6 days from 18th Jan to 24th Jan 2022.
- 16 Self-driven activity –one-day workshop on "Applications of Indoor Visible Light communication systems" held on 27th October 2021.
- 17 AICTE-ISTE sponsored Refresher Programme on "Technology-driven Health care systems" from 20th October to 26th October 2021.
- 18 Self-driven activity SUCCESS PERSON-UPSC QUALIFIED WITH 257TH RANK alumni Mr Arjun K. held on 25th October 2021.
- 19 Participated & completed successfully AICTE Training And Learning (ATAL) Academy Online Elementary FDP on "Applications of Machine Learning for Autonomous futuristic Electric Vehicles" from 2021-7-12 to 2021-7-16 at National Institute of Technology, Calicut.
- 20 APJAKTU sponsored online FDP on Industrial Instrumentation and Automation for one week from 6th September to 10th September 2021
- 21 APJAKTU sponsored online FDP on "Trends and challenges in digital business innovations" 26th July- 30th July 2021.

- 22 Webinar on opportunities for Electronics and Communication Engineers by Renjith from Philips, Mumbai. Webinar on 3d bio printing by Vishnu K Mehenn, Innovations Coimbatore on 4th December 2020.
- 23 Webinar on “Standardization needs in smart Grids and Automation, on 4th December-2020, delivered by Dr Shailendra Singh, Professor, IITBHU.
- 24 Webinar on “Photonics Integrated Circuits “by Dr Srinivas Talabattula, IISc Bangalore on 4th December 2020.
- 25 National IP Literacy week organised under Kalam Program for IP Literacy and Awareness (KAPILA) from 15th to 23rd October 2020.
- 26 Webinar on “International Patent Filing- Reasons and Strategies by Mrs Bindu Sharma, Origin IP Solutions LLP, Bangalore on 12th August 2020.
- 27 AICTE-sponsored FDP on Students Induction Program from 17th to 19th June 2019 at the Cambridge Institute of Technology, Bangalore.
- 28 Techfest-2018 on 17th Nov-2018.
- 29 National Technology Day -2018, celebration on: Technology Based Health re services” in association with KSCSTE on 11th May, 2018.
- 30 PMYUVA “Skill Development Awareness Camp” on 15th April 2018,
- 31 DST-NIMAT sponsored a three-day “Entrepreneurship Awareness Camp” at J CET Lakkidi from June 14th to 16th June 2017.
- 32 Technical talk on “Nonlinear optics and its applications” by Dr Varun Raghu Nathan, IISc, Bangalore. Held on 10/02/2017.
- 33 Two-day workshop on “VLSI Design using Open Source” at Jawaharlal College of Engineering and Technology, Lakkidi, in Association with SANARIS TECHNOLOGIES, Bangalore,
- 34 held on 6th and 7th January 2017.
- 35 Three-day workshop on “Advanced Electronics Technologies”
- 36 Conducted on 15, 16, and 17th of June 2016 by EDC JCET in association with IS TE.
- 37 Workshop on “Design and development of Programmable Logic Controller o on 26/07/2016 in association with EDC –JCET.
- 38 Faculty Development Programme on IoT on 3rd and 4th September 2016 at J CET in association with Kerala Startup Mission.
- 39 Two-week Entrepreneurship development program organized by EDC J CET in association with District Industries and Commerce, Palakkad from 20/ 06/2016 to 02/07/2016,
- 40 Faculty Development Programme on “Implementation of Virtual Instrumentation Concept Using LABVIEW” On 10th Dec-15 under STEP in association with National Instruments, Bangalore.
- 41 Students Project Exhibition on NSITE-16 for school children.
- 42 Hosted 7th series seminar competition on “power augmentation in Kerala - issues, challenges and solutions” Under the banner of Kerala State Electricity Board association, supported by IEEE Power & Energy Society, Kerala chapter, Judged by Mrs Sosamma, Chief Engineer, and retired chief engineers Mr. Parameswaran.
- 43 Under the banner of Blitzkrieg -2016, the association deputy chief engineer, KSEB
- 44 Dr.Rajan P, Chief Engineer, KSEB, presented a technical talk on challenges in the power sector
- 45 ECE & EEE Departments of JCET jointly conducted FDP under Science & Technology Enrichment Programme on “Real Time Image Processing & Robotics

Actuators” On 27th Aug 2015 with Resource Persons: Mr. Rammohan Venu Gopal,

Image Processing/Computer Vision Engineer, Beena Vision Systems I

nc. Norcross, GA, USA & Dr. Biju Prasad B, Avionics entity, VSSC, ISRO, Trivandrum

- 46 Energy conservation week & showed that 8% of the energy saving can be done through our best practices
- 47 One-day workshop on “PLC-based Industrial Automation” by AXIS Global Automation Team, Coimbatore on 22/09/15
- 48 Entrepreneurship on organised by the Entrepreneurship Development Club, Vidya Academy of Science and Technology, Thrissur, from 9 to 11th March 2015.
- 49 International conference "Safety by Design- Recent Trends in Design and
- 50 Manufacturing" to be held in August 2013 @ JCET, Lakkidi.
- 51 "National level Technical symposium EPAEMS-2012" on 7th March-2012 @ Er.Perumal Manimekalai College of Engineering, Hosur.
- 52 National level conference on "Computation Communication and Control Systems (NCCCC-12)" on 2nd March 2012 at Er.Perumal Manimekalai College of Engineering, Hosur.

- 59 College, Rasipuram.
- 60 Worked as coordinator for Anna University Sponsored FDP on “Computational Fluid Dynamics” from 30th November 2010 to 4th December 2010 @ Er. P erumal Manimekalai College of Engineering, Hosur.
- 61 Attended two-day Workshop on “LABVIEW” on 5th and 6th January 2010 at
- 62 Muthayammal Engineering College, Rasipuram.
- 63 Two days workshop on “Robotics” @ PMC-Tech Hosur on 7th and 8th of oct o-2010 By Noida, New Delhi.

20. CONFERENCE/SYMPOSIUM/WORKSHOP/SEMINAR ATTENDED

1. On behalf of AICTE, the Innovation Centre, Kerala, organised an online session

- about the KAPILA scheme on August 13, 2024, from 11:30 am to 12:30 pm.
2. Webinar on Leading-Edge Electric Motors and Drives Development for the Electrification in Association with SAE India. 25th July 2024 | 03 pm - 04 pm.
 3. International Labour Organisation's SKILLS Bridge Masterclass Series, titled 'AI-Powered Skill India Digital Hub (SIDH) for a Future Ready Workforce' on 4th July 2024.
 4. Energy Management Centre and BEE Kerala Sponsored Clean and Green Energy on May 31st, 2024
 5. RINK sponsored National Technology Day special 'RINK DEMO DAY-Indo-German Research Day on May 11th, 2024,
 6. Webinar on 5G/6G The Future of Intelligent Connectivity by Corel Technologies Bangalore, April 16th, 2024.
 7. UK Acceleration Catalyst Program
 8. Hardware Integration using MATLAB & Simulink
 9. Workshop on 5G/6G: The Future of Intelligent Connectivity
 10. MATLAB Public Webinar Session on Development of Wireless Communications Systems- Meeting Link - 02:00 pm to 04:00 pm -19/01/2024
 11. Online session on Agro-Processing & Agri-Tech entrepreneurship | Webinar on "Powering New Ideas through Biotechnology Ignition Grant (BIG) and India Health Fund's Support."
 12. Automation System Design & Simulation using Automation Studio Software. Today, May 17, 2024
 13. VLSI Technologies in Bangalore is organising a webinar for students on VLSI.
 14. Webinar is being conducted on 3rd May 2024 at the JCET Campus.
 15. The Kerala Knowledge Economy Mission and Palakkad District Panchayat are jointly hosting a Creative Skill Fest
 16. The Unnat Bharat Abhiyan Regional Workshop on Localised Sustainable Development Goals, held on February 24, 2024, at IIT Palakkad.
 17. NSDC Workshop on 'How to get your college NEP ready through Internshala
 18. MSDE Minister/MoS virtual launch of Initiatives related to Skilling in Kerala
 19. Setting up a unit of TrEST Research Park in Academic Institutions - Preliminary Discussion
 20. 3-Day free online workshop on VLSI SoC Design using Verilog HDL
 21. Indo-German Research Day 2024
 22. IDS SOFT sponsored Bharath Blockchain Yatra
 23. Advanced DSP Architectures & Embedded
 24. Systems. For 5 days from Dates: 24-28 April 2023.
 25. Green Technology and Innovations: Paving the Way for a Sustainable Future
 26. Date: November 25th, 2023
 27. FDP on Microgrid System Design & Simulation using HOMER Pro & HOMER Grid Software
 28. Online workshop on Universal Human Values on the theme including UHV in Technical Education
 29. AICTE-ISTE REFRESHER PROGRAMME on Technology Driven Health Care Systems" PROGRAMME-
 30. Processing of Satellite Imagery & Remote Sensing Data - Opportunities & Applications"

31. IIC Regional Meet on 16 January 2024
32. A National seminar fully sponsored by ICSSR on Demographic dividend during 18-20 October 2023
33. Nation building through Institutional Social Responsibility at JCET on 04.07.20 23.
34. SemiconIndia FutureDesign 2023
35. Seminar regarding Catalysing India's Semiconductor Ecosystem.
36. Faculty Development Programme on " Industrial Instrumentation and Automation " conducted by the Department of Electrical and Electronics Engineering,
37. AICTE National conclave on the theme 'Implementation of National Education Policy (NEP) 2020
38. Online Elementary FDP on "Applications of Machine Learning for Autonomous futuristic Electric Vehicles" from 2021-7-12 to 2021-7-16 at National Institute of Technology, Calicut
39. Orientation and adoption of NISP at HEIs and policy implementation strategy and progress monitoring at HEIs
40. "5-day online FDP on DEEKSHARAMBH (Student Induction Program)" organised by NIT Patna during 10-14 August 2020
41. National IP Literacy Week organised under KAPILA
42. Expert Panel Member - Evaluation of Startups - AY 2023-2024
43. The Q&A Session on - NISP Adoption & Implementation - MoE's Innovation Cell
44. Engineer's Day celebration on 15/09/2021, Lecture delivered on the legacy of Sir M V's life and Legacies by Mr Anilkumar Pillai, G M –Technical Services, Ramco Cements. Chennai.
45. AICTE-Workshop on Examination Reforms (26th - 28th July 2021)
46. APJAKTU sponsored an "An interactive session on Research & Fellowship Opportunities for Faculty Members in Germany" held on Thursday, July 22.
47. AICTE-NEAT Cell sponsored event on "Industry Connect: Opportunities for Institutes to Collaborate with Industries "held on 22nd July 2021.
48. Indian Knowledge System sponsored webinar on A Dialogue between Indian Linguistic Theories and Language Technology by Prof. Amba Kulkarni, Former HoD, Department of Sanskrit Studies, University of Hyderabad, held on 17th July 2021
49. ATAL sponsored online FDP on "Applications of Machine Learning for Autonomous and Futuristic Electric Vehicles-(MLEV-2021)" held from July 12 to 16, 2021.
50. National webinar on "Organic Farming for Sustainable Agriculture". The webinar will be conducted on National Farmers Day (Kisan Diwas in Hindi) on **23rd December, Wednesday (2:00-4:00 PM).**
51. Ministry of Education's Innovation Cell sponsored the online session on "**ARIIA 2021 - Orientation and Demonstration of Data Submission Portal**" held on 22nd December 2020 at 10.30 AM.

30. Tell us how you can help the University become one of the best in the country:

The university is the comprehensive platform to care for the multidimensional growth of learners, and setting up progressive development is a challenging task that requires experience. Knowledge of emerging trends and the technology involved can be very well addressed by any person who explores all such avenues. Best practises involve dedicated leaders who can lead the mass for continuous improvement in learning and implementation, which can be taken care of to a greater extent.

Inculcating the interdisciplinary approach among students is one of the best ways to train them to be ready for technological activities. I hope this is possible. Research and development in machine learning, I, and Deep learning are fields that provide a lot of opportunities for job seekers. My priority is to convert all departments into centres of excellence for training and quality purposes. Developing all departments through government financial assistance, such as Innovation
