0000-0002-4014-1305 | C-7011-2011

Featured in the list of World's Top 2% of Scientists in the field of Artificial Intelligence issued by Stanford University, United States (2022, 2023, 2024).

Objective

Seeking a long-term responsible position in the scientific field (Academic/Research) through high-quality research and teaching via a continuous learning process.

Areas of Research Interest

- Information theory
- Fuzzy information measures
- Intuitionistic fuzzy sets
- Aggregation operators
- Fuzzy graph theory
- Decision-making under uncertainty
- Pythagorean fuzzy sets
- Computational intelligence
- Bibliometric analysis
- Fuzzy game theory
- Computing with words
- Data envelopment analysis
- Supply chain management
- Renewable energy
- Transportation problems

Academic Qualification

- ✍ B.Sc.(PCM) from Chaudhary Charan Singh University, Meerut, U.P., INDIA, 2004, Div.: First.
- ✍ M.Sc. (Mathematics) from Chaudhary Charan Singh University, Meerut, U.P., INDIA, 2006, Div.: First.
- ✍ Ph.D. in Mathematics from Jaypee Institute of Information Technology, Noida, U.P., INDIA, 2014

Ph.D. Thesis Information

Ph.D. thesis title: Information Measures and Aggregation Operators on Fuzzy / Intuitionistic Fuzzy Sets with Applications in Decision Making

Thesis supervisor: Prof. Bhu Dev Sharma

University: Jaypee Institute of Information Technology, Noida, U.P., INDIA

Year of Award: 2014

Teaching / Professional Experience

- Working as an Associate Professor of Mathematics (guest) at Department of Applied Sciences and Humanities, Indira Gandhi Delhi Technical University for Women (IGDTUW), Delhi, India, January 2025-till date.
- Worked as an Assistant Professor of Mathematics (guest) at Department of Applied Sciences and Humanities, Indira Gandhi Delhi Technical University for Women (IGDTUW), Delhi, India, August 2024-December 2024.
- Worked as a Postdoctoral Research Fellow at the School of Economics and Business, University of Talca, Talca, Chile, March 2022-March 2024 (Supervisor: Prof. Eduardo Álvarez-Miranda)
- Worked as a Research Associate at the Department of Management Control and Information Systems, University of Chile, Santiago, Chile, July 2020-October 2021 (Supervisor: Prof. José M. Merigó)

- Worked as a Fondecyt Postdoctoral Research Fellow at the Department of Management Control and Information Systems, University of Chile, Santiago, Chile, July 2017-June 2020 (Supervisor: Prof. José M. Merigó)
- Worked as an Assistant Professor of Mathematics at Delhi Technical Campus, G. Noida, India, July 2016-July 2017
- Worked as an Assistant Professor of Mathematics at HMR Institute of Technology and Management, Delhi, India, August 2014-July 2016
- Worked as a Research Assistant at the Jaypee Institute of Information Technology, Noida, U.P., INDIA, August 2009-May 2013

Scholarships and Awards

- ✉ Postdoctoral Fellowship, University of Talca, CHILE, March 2022-March 2024.
- ✉ Research Associate, University of Chile, CHILE, July 2020-October 2021.
- ✉ Fondecyt Postdoctoral Fellowship, Agencia Nacional de Investigación y Desarrollo (ANID), CHILE, March 2017- March 2020.
- ✉ IEEE CIS Travel Grant for Young Researchers from Developing Countries, 2019.
- ✉ Doctoral Fellowship, IIIT, Noida, August 2009 - May 2013.
- ✉ National Merit Scholarship, Class IX - M.Sc.

Sponsored Research Projects

1. **Project Title:** Information measures, computational intelligence techniques and decision-making systems
Funding Agency: Agencia Nacional de Investigación y Desarrollo (ANID), CHILE
Duration: March 2017-June 2020
Affiliation: Department of Management Control and Information Systems, University of Chile, Chile
Role: Principal Investigator, Grant: 120000 USD approx.
Status: Completed.
2. **Project Title:** Development of computational intelligence techniques for complex decision-making problems
Funding Agency: University of Talca, Talca, CHILE
Duration: March 2022-March 2024
Affiliation: School of Economics and Business, University of Talca, Talca, Chile
Role: Principal Investigator, Grant: 58000 USD approx.
Status: Completed.

International Conference Organized (Co-chair)

- IMST 2015-FIM XXIV, University of Barcelona, Spain, 2015.
- MMCITRE-2020, Pandit Deendayal Petroleum University, Gandhinagar (Gujrat), India, 2020.

- MMCITRE-2021, Pandit Deendayal Petroleum University, Gandhinagar (Gujrat), India, 2021.
- MMCITRE-2022, University of Technology Sydney, Sydney Australia, 2022.
- MMCITRE-2024, Manipal University, Jaipur, Rajasthan, INDIA, 2024.

Papers presented in International/ National Conferences

1. **R. Verma** and B.D. Sharma, “*A new class of exponential entropies*,” Eighteenth International Conference on Interdisciplinary Mathematical and Statistical Techniques, August 2-4, 2009, Department of Mathematics, Jaypee University of Information and Technology, Wakanaghat, Himachal Pradesh.
2. **R. Verma** and B.D. Sharma, “*On some properties of generalized exponential entropies*,” Annual Conference of Vijnana Parishad of India & National Symposium on Recent Developments in Applicable Mathematics & Information Technology, December 4-6, 2009, Department of Mathematics, Jaypee University of Engineering and Technology, Guna, Madhya Pradesh.
3. **R. Verma** and B.D. Sharma, “*On intuitionistic fuzzy relative entropy and its applications*,” Fifteenth Annual Conference of Gwalior Academy of Mathematical Sciences (GAMS): Mathematics and Development of ICT, December 12-14, 2010, Mohyal Educational and Research Institute of Technology, New Delhi.
4. **R. Verma** and B.D. Sharma, “*Cosine similarity measure for interval-valued intuitionistic fuzzy sets and its application to multi-criteria decision-making problem*,” National Meet of Research Scholars in Mathematical Sciences (NMRSMS-2011), October 12-15, 2011, Department of Mathematics, IIT, Kharagpur.
5. **R. Verma** and B.D. Sharma, “*Jensen-Tsallis divergence on intuitionistic fuzzy sets and their applications*,” International Conference on Advances in Modeling, Optimization and Computing (AMOC -2011) December 5-7, 2011, Department of Mathematics, IIT Roorkee.
6. **R. Verma** and B.D. Sharma, “*Hesitant interval-valued fuzzy sets and their properties*,” National Conference on Modeling, Computational Fluid Dynamics and Operations Research (NCMOC -2012) February 4-5, 2012, Department of Mathematics, BITS, Pilani Campus, Rajasthan.
7. **R. Verma** and B.D. Sharma, “*A new method of ranking the interval-valued intuitionistic fuzzy numbers and its application to multicriteria decision-making*,” 17th Annual Conference of Gwalior Academy of Mathematical Sciences (GAMS) & National Symposium on Computational Mathematics and Information Technology, December 07-09, 2012, Department of Mathematics, Jaypee University of Engineering and Technology, Guna, Madhya Pradesh.
8. **R. Verma** and B.D. Sharma, “*Intuitionistic fuzzy Einstein prioritized weighted aggregation operator and its application to multiple attribute group decision making*,” National Conference on Role of Mathematics in Advancement of Science & Technology (NCRMAS-13), October 18-20, 2013, Department of Mathematics, B.S.N.V. Post Graduate College, Lucknow.
9. **R. Verma** and B.D. Sharma, “*A multiple attribute decision-making approach based on generalized fuzzy prioritized weighted average operator*,” International Conference on Information and Mathematical Sciences (IMS-13), October 24-26, 2013, Department of Mathematics, Baba Farid College of Engineering & Technology, Bhatinda, Punjab.
10. **R. Verma** and B.D. Sharma, “*On intuitionistic fuzzy inaccuracy measure of order- α and its application to multiple-criteria decision making*,” Ist International Conference of Indian Society of Information Theory and Applications on “Mathematical Modeling, Optimization and Information Technology,” January 16-19, 2015, Sri Sai College of Engineering and Technology, Badhani, Punjab, India.
11. **R. Verma** and J. M. Merigó, “*Skewness measures based on OWA operator and applications to decision making*,” 3rd Conference on Business Analytics in Finance and Industry (BAFI-2018), January 17-19, 2018, Faculty of Economics and Business, University of Chile, Santiago, Chile.
12. **R. Verma** and J. M. Merigó, “*On generalized fuzzy Jensen-exponential divergence and its application to pattern recognition*,” 2018 Symposium Series on Computational Intelligence (IEEE SSCI 2018), November 19-21, 2018, Bengaluru, India.
13. **R. Verma** and J. M. Merigó, “*On generalized intuitionistic fuzzy interaction partitioned Bonferroni mean operators*,” IEEE International Conference on Fuzzy Systems (FUZZ- IEEE 2019), June 23-26, 2019, New Orleans, USA.

14. **R. Verma** and B.D. Sharma, “*MABAC method based on spherical fuzzy exponential divergence measure for multiple attribute group decision-making process*,” IEEE Conference on Norbert Wiener in the 21st Century (21CW), July 22-25, 2021, Chennai, INDIA.
15. N. Aggarwal and **R. Verma**, “*Multiple-attribute group decision-making based on improved aggregation operators in intuitionistic fuzzy framework*,” International Conference on Pure and Applied Mathematics (ICPAM 2023), October 26-28, 2023, NIT Jalandhar, INDIA.
16. **R. Verma**, E. Á. Miranda and J. Jagannadham, “*A novel CRITIC-SWARA-MARCOS approach in a 2-dimensional intuitionistic fuzzy framework with application to medical waste treatment technology selection*,” International Conference on Optimization and Data Science in Industrial Engineering (ODSIE 2023), November 16-17, 2023, Istanbul, Turkey.
17. S. Gahlawat, **R. Verma**, G. Sachdev, and S. Arora, “*An extended MEREC-MABAC approach based on new divergence measure using constrained Pythagorean fuzzy information framework*,” International Conference on Optimization and Data Science in Industrial Engineering (ODSIE 2023), November 16-17, 2023, Istanbul, Turkey.

Conferences, Workshops and Short Term Courses Attended

A. Conferences (National / International)

1. Attended the “14th Annual Conference of Gwalior Academy of Mathematical Sciences (GAMS) and a Symposium on Computational Mathematics and its Application to Engineering, Management and Biology” held at IPS College, Gwalior, Madhya Pradesh, from 17-19 July 2009.
2. Attended the “International Conference on Contemporary Computing (IC3-2009)” held at Jaypee Institute of Information Technology, Noida, Uttar Pradesh, from 17-19 August 2009.
3. Attended the “Annual Conference of Vijnana Parishad of India and a Symposium on Recent Development in Applicable Mathematics & Information Technology” held at Jaypee Institute of Engineering & Technology, Guna, Madhya Pradesh, from 04-06 December 2009.
4. Attended the “National Seminar on Interface between Statistics, Mathematics and Allied Sciences” held at SSJ Campus, Kumaun University, Uttarakhand, from 20-22 November 2010.
5. Attended the “15th Annual Conference of Gwalior Academy of Mathematical Sciences (GAMS): Mathematics and Development of ICT (including Allied Applications)” held at Mohyal Educational and Research Institute of Technology, New Delhi, from 12-14 December 2010.
6. Attended the “National Conference on Mathematics beyond Formulae and Theorems” held at Indraprastha College for Women, University of Delhi, Delhi, from 22-23 February 2011.
7. Attended the “International Conference on Advances in Modeling, Optimization and Computing” held at IIT Roorkee, Roorkee, Uttarkhand, from 05-07 December 2011.
8. Attended the “National Conference on Modeling, Computational Fluid Dynamics and Operation Research” held at Birla Institute of Technology & Science, Pilani, Rajasthan, from 04-05 February 2012.
9. Attended the “International Conference on Optimization Modelling and Applications” held at University of Delhi, Delhi, from November 29-01 December 2012.
10. Attended the “15th Annual Conference of Gwalior Academy of Mathematical Sciences (GAMS) & National Symposium on Computational Mathematics & Information Technology” held at Jaypee University of Engineering & Technology, Guna, Madhya Pradesh, from 07-09 December 2012.
11. Attended the “International Conference-The Legacy of Srinivasa Ramanujan” held at University of Delhi, Delhi, from 17-22 December 2012.
12. Attended the “National Conference on Role of Mathematics in Advancement of Science & Technology (NCRMAT-13)” held at B.S.N.V. Post Graduate College, Lucknow, from 18-20 October 2013.
13. Attended the “International Conference on Information and Mathematical Sciences (IMS-13)” held at Baba Farid College of Engineering & Technology, Batinda, Punjab, from 24-26 October 2013.

14. Attended the “1st International Conference of Indian Society of Information Theory and Applications on “Mathematical Modeling, Optimization and Information Technology”, held at Sri Sai College of Engineering and Technology, Badhani, Punjab, from 16-19 January 2015.
15. Attended the “3rd Conference on Business Analytics in Finance and industry (BAFI- 2018)”, held at Faculty of Economics and Business, University of Chile, Santiago, Chile, from 17-19 January 2017.
16. Attended the “International Congress of Mathematicians (ICM 2018)”, held at Riocentro Convention and Event Center, Rio De Janeiro, Brazil, from 01-09 August 2018.
17. Attended the “2018 Symposium Series on Computational Intelligence (IEEE SSCI 2018)”, held at Sheraton Grande Bangalore Hotel at Brigade Gateway, Bengaluru, India, from 18-21 November 2018.
18. Attended the “IEEE International Conference on Fuzzy Systems (FUZZ-IEEE 2019)”, held at JW Marriot New Orleans, New Orleans, USA, from 23-26 June 2019.
19. Attended the “French Latin-American Conference on New Trends in Applied Mathematics,” held at Center for Mathematical Modeling, Universidad of Chile, Santiago, Chile, from 05-08 November 2019.
20. Attended the “IEEE Conference on Norbert Wiener in the 21st Century (21CW),” held at CEG Campus, Anna University, Chennai, INDIA from July 22-25, 2021.

B. Workshops, Training Programs, and Short Term Courses (National / International)

1. Attended the “National Meet of Research Scholars in Mathematical Science-2009 (NMRSMS-2009)” held at IIT Roorkee, Uttar Pradesh, from 19-23 December 2009.
2. Attended the “National Meet on History of Mathematical Science” held at Delhi University, Delhi, from 07-09 January 2010.
3. Attended the “National Workshop on Applicable Statistics” held at Maharshi Dayanand University, Rohtak, Haryana, from 28-30 March 2010.
4. Attended the “National Workshop on Optimization Theory and Practice” held at SSJ Campus, Kumaun University, Uttarakhand, from 15-19 November 2010.
5. Attended the “Workshop on Advanced Computing and Software Tools” held at IIIT University, Noida, Uttar Pradesh, on 30 October 2010.
6. Attended the “Project on Use of Open Source Software for Teaching Mathematics” held at Bhaskaracharya Pratishthana, Pune, from 27-31 January 2011.
7. Attended the “National Workshop on Optimization and Information Theory with Their Applications” held at Jaypee University of Engineering and Technology, Guna, Madhya Pradesh, from 24-26 February 2011.
8. Attended the “National Workshop on Emerging Trends in Computing and Information Technology” held at Rajkumar Goel Institute of Technology for Women, Ghaziabad, Uttar Pradesh, on 09 September 2011.
9. Attended the “National Meet of Research Scholars in Mathematical Science- 2011(NMRSMS-2011)” held at IIT Kharagpur, Kharagpur, West Bengal, from 12-15 October 2011.
10. Attended the “National Workshop on Mathematics and its Applications” held at Deenbandhu Chhotu Ram University of Science & Technology, Sonapat, Haryana, from 18-19 October 2012.
11. Attended the “Training Programme on Optimization and its Applications” held at University of Delhi, Delhi, from November 26-01 December 2012.
12. Attended the “National Workshop on Scientific/ Research Paper Writing” organized by The National academy of Sciences, India, held at Mohanlal Sukhadia University, Udaipur, Rajasthan, from 05-07 April 2013.
13. Attended the “Emerging Trends in Bio-Mathematics” organized by Jaypee Institute of Information Technology (Deemed University), Noida, Uttar Pradesh, on 29 November 2014.
14. Attended the FDP on “Mathematical Methods in Science & Engineering” organized by Madan Mohan Malviya University of Technology, Gorakhpur, Uttar Pradesh, from 15-19 December 2015.
15. Attended the online international workshop on “Applications of Python” organized by Atal Bihari Vajpayee Vishwavidyalaya, Bilaspur, Chhattisgarh, from 05-09 June 2021.

16. Attended the international webinar on “Introduction to MATLAB” organized by the Department of Mathematics, JSSATE Noida on September 17, 2021.
17. Attended the international workshop on “Optimization under uncertainty” organized by the Center de Recherches Mathematiques (CRM), Montreal, Canada, from September 27 to October 1, 2021.
18. Attended the national workshop on “Fuzzy logic, optimization and soft computing in context of artificial intelligence” organized by the Department of Mathematics, Chaudhary Charan Singh University, Meerut, from 12-18 February, 2022.
19. Attended the “EVIC 2023-summer school in computational intelligence” organized by the Faculty of Physical Sciences and Mathematics, University of Chile, Chile, from 13 – 15 December, 2023.
20. Attended the “International Conference on Optimization and Data Science in Industrial Engineering (ODSIE 2023)” organized by the Istinye University, Istanbul, Turkey, November 16-17, 2023.

Expert Lecture and Technical Session Chaired

- ➡ Chaired a Technical Session in the 3rd Conference on Business Analytics in Finance and Industry (BAFI-2018), 17-19 January, 2018 at the Faculty of Economics and Business, Universidad de Chile, Santiago, Chile.
- ➡ Chaired a Technical Session in the 2nd International Conference on Mathematical Modeling, Computational Intelligence Techniques and Renewable Energy (MMCITRE-2021), 06- 08 February, 2021, at the Department of Mathematics, Pandit Deendayal Energy University, Gandhinagar, Gujarat, India.
- ➡ Chaired a Technical Session in the International Conference of FIM-IMIP-UMSO2021, 26- 28 December, 2021, Kitakyushu, Japan.
- ➡ Chaired a Technical Session in the 3rd International Conference on Mathematical Modeling, Computational Intelligence Techniques and Renewable Energy (MMCITRE-2022), 04- 06 March, 2022, at the University of Technology Sydney, Australia.
- ➡ Delivered an expert lecture on “Decision support systems with computational intelligence: basic concepts and applications” in the National workshop on “Fuzzy Logic, Optimization and Soft Computing in Context of Artificial Intelligence,” 12-18 February, 2022, at Department of Mathematics, Ch. Charan Singh University, Meerut, U.P., India.
- ➡ Delivered an expert lecture on “The ordered weighted average: A dynamic approach to aggregation in decision-making” in the 4th International Conference on Soft Computing and Mathematical Modeling -2024 (ICSCMM – 24),” 22-23 December, 2024, at Department of Applied Sciences, KIET Group of Institutions, Ghaziabad, U.P., India.
- ➡ Chaired a Technical Session in the 4th International Conference on Soft Computing and Mathematical Modeling -2024 (ICSCMM – 24),” 22-23 December, 2024, at Department of Applied Sciences, KIET Group of Institutions, Ghaziabad, U.P., India.

Special Issue Edited in International Journals

- ➡ L. Terán, M. D. Ruiz, N. Yarushkina and **R. Verma**, “Fuzzy Systems for Data Managing in Business, Society, and Economics,” Axioms, MDPI, 2020. (indexed in WoS, IF: 1.824)
- ➡ J. Balasubramaniam, Y. Kodono, F. Smarndache, **R. Verma** and J. Watada, “Soft Computing and Meta Heuristics,” Journal of Combinatorics, Information & System Sciences, Vol. 45, 2020.
- ➡ W. Gu, V. Kalashnikov, Y. Yabuuchi, B. Yu, J. Watada and **R. Verma**, “Advanced Research on Econometrics and Management Sciences,” Journal of Combinatorics, Information & System Sciences, Vol. 46, 2021.
- ➡ **R. Verma**, S. Broumi, and J. Watada, “Advancements in fuzzy decision systems for optimized and adaptive execution in smart manufacturing,” Soft Computing, Springer, 2023. (indexed in WoS, IF: 3.723)
- ➡ **R. Verma**, J. Watada and S. Broumi, “Graph Theory-based Routing Algorithms and Protocols for Vehicular Ad Hoc Networks,” Mobile Networks and Applications, Springer, 2023. (indexed in WoS, IF: 3.077)
- ➡ **R. Verma**, J. Watada and S. Broumi, “Fundamentals and applications of fuzzy algorithms for the rise of business organisations,” Access Journal, 2023. (indexed in WoS)
