SUMMARY

A NET-qualified scholar and digital media specialist with proven expertise in content creation, branding, and digital marketing. I craft innovative strategies to enhance brand engagement and drive growth. Previously, I contributed as a faculty and digital media production assistant at SAGE University until November 2024, nurturing emerging talent and delivering impactful digital content. My background in managing comprehensive digital campaigns, coupled with a keen understanding of AI-driven content strategies, empowers me to blend creativity with measurable outcomes. I am passionate about bridging academic insights with real-world digital trends, consistently pushing the envelope in digital innovation.
