

CURRICULUM VITAE

Dr. Vinay Bhatt

Designation: Assistant Professor

School of Computer Science and Engineering

Sardar Bhagwan Singh (SBS) University, Balawala

Dehradun, Uttarakhand

Mobile: +91-7060835967

Email:vinay10191@gmail.com

Objective: To associate with multi-dynamic institute and universities, this may provide a platform to update my knowledge & skills in accordance with latest trends in teaching along with research that follows a tradition of anticipating & leading changes

Professional and Academic Qualifications:

1. **PhD:** Computer Science and Engineering (2025) from Asian International University, Imphal West, Manipur.
2. **M.Tech:** Computer Science and Engineering (2018) from Uttarakhand Technical University, Dehradun, Uttarakhand.
3. **B.Tech:** Computer Science and Engineering (2016) from Uttarakhand Technical University, Dehradun, Uttarakhand.
4. **Diploma in Engineering:** Information Technology (2013) from Uttarakhand Board of Technical Education, Haridwar, Roorkee, Uttarakhand.
5. **Diploma in Information Technology:** Advance Diploma in Information Technology (2010) from IT Computer Education, New Tehri, Tehri Garhwal, Uttarakhand.
6. **Higher Secondary:** Science Group (2008), Saraswati Vidhya Mandir (Uttarakhand State Board) VK Puram Tehri Garhwal, Uttarakhand.
7. **Secondary:** Science Group (2006), Saraswati Vidhya Mandir (Uttaranchal State Board) VK Puram, Tehri Garhwal, Uttarakhand.

Total Experience: 8 Years 3 Months Teaching and Industrial Experiences.

A. Teaching Experiences: Seven years and Two Months of teaching experiences as follows:

1. Assistant Professor in Department of Information Technology (Guest): Kelvin Institute of Technology, Dehradun, Uttarakhand, 2016-18, (2 years).
2. Assistant Professor in Department of Information Technology (Temporary): Uttaranchal College of Science and Technology (UCST), Dehradun, Uttarakhand, 2018-19 (6 Months).

3. Assistant Professor in Department of Computer Science and Information Technology (Regular): Modern Institute of Technology, Rishikesh, Uttarakhand, 2019-21 (2 years).
4. Assistant Professor in Department of Computer Science and Engineering (Contractual): Guru Nanak Institution, Mullana, Ambala, Haryana, 2021-22 (11 Months).
5. Assistant Professor in Department of Computer Science and Information Technology (Regular): Institute of Technology and Management (ITM) College, Dehradun, Uttarakhand, 2022-23, (9 Months).
6. **Assistant Professor and Head of Department (HOD)** in Department of CS&IT (Regular): MA Himalayan Garhwal University, Pauri Garhwal, Uttarakhand, 2023-2024, (1 year).
7. **Assistant Professor in** School of Computer Science and Engineering, Sardar Bhagwan Singh (SBS) University, Balawala, Dehradun, Uttarakhand. (Regular) 2024-Present.

B. Industrial Experience: Network 7, Dehradun, Uttarakhand, with the post of Network Engineer, 2015-16 (1 year).

Academic Distinctions: Total Nineteen (Seven International and Twelve National) research papers published and total Six (Five International and Two National) Conferences attend with present papers.

1. Bhatt, V., Kumar, S., & Kumar, A. (2018). Study and Literature or Research Survey of Mobile Computing, Mobile Communication and Mobile Ad Hoc Network in Wireless Network. *Journal of Mobile Computing, Communication & Mobile Networks*, 5(1), 15-21.
2. Bhatt, V., & Kumar, S. (2018). Study and Literature or Research Survey of Routing Protocols and Routing Attacks in MANET with Different Security Technique in Cryptography for Network Security. *International Journal on Future Revolution in Computer Science & Communication Engineering*, 4(4), 811-817.
3. Bhatt, V., & Kumar, S. (2018). Performance Analysis between OLSR and FSR Protocols under Black Hole Attack Using FPGA. *International Journal on Future Revolution in Computer Science & Communication Engineering*, 4(4), 818-826.
4. Bhatt, V., & Kumar, S. (2018). AES Security Algorithm Implement on FSR Protocol under Black Hole Attack using FPGA (XILINX). *International Journal of Wireless Network Security*, 4(1), 19-31.
5. Bhatt V, Kumar A. (2018). Security of OLSR protocol by DES Algorithm in BlackHole Attack Using FPGA (Xilinx). *International Journal of Wireless Network Security, Journal Pub.* 2018; 4 (1):
6. Bhatt V. (2018). Research Survey of Cybercrime or Cyber Attack, Cyber Law and Cyber Security on Cyber Space under Cyber Forensic Investigation. *International Journal of Information Security and Software Engineering, Journal Pub.* 2018; 3 (1):
7. Pokhriyal, P., Bhatt, V., & Bijalwan, A. (2019). Analysis of DTMF Frequency on ICMT8870D. *Recent Trends in Parallel Computing*, 6(3), 1-5.
8. Bhatt, V., & Pokhriyal, P. (2019). Research Survey of Mobile Cloud Computing with Services of Cloud Computing. *International Journal of Distributed Computing and Technology*, 5(2), 43-49.

9. Bhatt, V., & Kumar, S.(2020). Study and Research Survey of Machine Learning on Different Field for Next Research Directions. *Journal of Artificial Intelligence Research &Advances*, 7(2), 46-55.
10. Bhatt. V. , & Radwal, B. (2020). Research Survey of Data Mining with Processing in Different Fields for Next Research Directions. *J Comp Technol Appl*. 2020; 11(2): 5-9p.
11. Bhatt. V. ,& Kumar,S. (2020).Study and Literature Survey of IOT (Internet of Things) under different fields for Next Research Directions. *Journal of Communication Engineering & Systems, JoCES (2020)*, 10(3), 1-9.
12. Bhatt. V., & Bindal, A. (2020). Study on smart device based client server communication on Linux using socket Programming in 'C'. *Journal of advanced in shell programming, JoASP*, 2020, 7(3), 11-15.
13. Bhatt.V.,& Radwal,B.(2021).Review study of Cloud Computing for Next Research Directions. *International Journal of Computer Science and Programming Languages (IJCSPL)*.2021;7(2):1-4p.

16. Bhatt, V., & Kumar M. (2024). Applications of Machine Learning in Health Data Science (HDS) for Next Research Directions: A Survey Report. *Journal of Artificial Intelligence Research & Advances, STM Journals*, Volume 11, Issue 1, ISSN: 2395-6720.
17. Bhatt, V., & Vishvakarma, A. (2024). To Design and Implementation of SARS-COVID-19 Detection Using CNN and VGG19 under Deep Learning Techniques. *Journal of Image Processing and Artificial Intelligence*, 10(3), 35-45.
18. Bhatt, V., & Kumar, M. (2024). Performance Evaluation for Diabetes Prediction by AI-Based Data Handling Algorithms (SVM, DT, RF, and LR) for Accuracy in Case of Anomaly Detection:Is Diabetes an Invisible Disability?. *TISS Journal of Disability Studies and Research*. 4(2), 117-153.
19. Bhatt, V., & Kumar M. (2025). Performance Comparison of Naive Bayes (NB) and KNN Algorithm for the Prediction Accuracy of Diabetes under HBA1c and FBS Test. *Journal of Image Processing and Artificial Intelligence*, 11(1), 33–42.

Conferences:

1. Bhatt, Vinay, and Bindal Amit Kumar. Smart Hardware Development under Industrial IOT(IIOT)4.0: A Survey Report. In *2021 6th International Conference on Signal Processing, Computing and Control (ISPCC)*.
2. Bhatt,Vinay and Kumar Mayank. Achievements of Data Science in Healthcare System: A Systematic Study. In *2023 International Conference on "Latest Trends in Applied Science, Management, Humanities and Information Technology (IC-LTASMHit)"*.
3. Bhatt, Vinay and Kumar Mayank. Processing Issues in Data Management on Health Data Science

(HDS)under HealthcareSystem: ACaseStudy. In2023 *National Conference on“ContemporaryIssues and Challenges in Management in Digital Era (NCCICMDE – 2023)”*

4. Bhatt, Vinay and Kumar Mayank. Applications of Machine Learning Algorithms in Health Data Science (HDS) for Next Research Directions: A Survey Report. In 2023 8th International Conference on “*Advances and Applications of Artificial Intelligence, Machine Learning and Data Sciences, (Shaastrarth-2023)*”.
5. Bhatt, Vinay and Kumar Mayank. Health Data Science (HDS) in Healthcare System for the Prediction of Diabetes: A Conceptual Study. In 2023 *National Conference on “Innovative Approaches to Research in Higher Education”*.
6. Bhatt,Vinay and Kumar Mayank. Data Handling Algorithms for the Healthcare System for the Prediction of Diabetes in Health Data Science (HDS): A Survey Report. In 2023, *International Conference on “Researchand Innovation in Biomedical Engineering” (RIBE2023)”*.
7. Bhatt Vinay. Performance Comparison of Naive Bayes (NB) and KNN Algorithm for the Prediction Accuracy of Diabetes under HBA1c and FBS Test. *International Conference on Intersection of Philosophy, Culture and Artificial Intelligence, 2025*.

Faculty Development Program (FDP)

Faculty Development Program (FDP 2024-25) on "Ethical Excellence in Research & Academic Integrity" held on 26th -31st December 2024.

IndustrialTraining: Three major training in professional education periods:

1. 6 weeks in **OPTO Electronics Factory (Ordinance Factory), Ministry of Defence**, Raipur, Dehradun, Uttarakhand, (2012).
2. 6 weeks in **Defence Research and Development Organization (DRDO),Ministry of Defence**, Raipur, Dehradun, Uttarakhand, (2015).
3. 3 Months in **National Institute of Entrepreneurship and Small Business Development (NIESBUD), Ministry of Skill Development and Entrepreneurship**, Dehradun, Uttarakhand,(2015).

Field of Interests: Artificial Intelligence, Machine Learning, Data Science, algorithms, programming languages, IoT & Cloud Computing, and Networking.

Place: Dehradun, Uttarakhand
