

Dr. Raghvendra Tiwari

M. Sc., Ph. D., B.Ed.

Ph.: - +91-9450492261, 7007328085

Email:- sonushashwat@gmail.com, raghvendra.tiwari@rntu.ac.in

Dear Sir/Madam,

I am writing to apply for the **Associate Professor** position in **Agriculture** at your Institution. I am completed my Ph. D. at the ANDUA&T University with a specialization in **Genetics and Plant Breeding** and currently working as a Assistant Professor at the Rabindranath Tagore University, Raisen (M.P.). I am extremely interested to obtaining a position at your institution, my commitment to education and research background makes me a terrific fit for that.

My objective as a teacher is to motivate my students to develop their own learning interests to establish a learner-centered environment in the classroom. I prepare lesson plans always considering the interconnection between the student's own knowledge, culture and learning abilities, the subject matter, and advance technique. I choose content that is both significant and challenging for the students so that they are stimulated to think "beyond" their comfort zone and feel involved in their own learning process. Similarly, the contents and class discussions I facilitate encourage students to make connections between my subject and other disciplines. The application of technology and computer-based material during teaching in the classroom such as Projector and YouTube are helpful tools in the promotion of meaningful learning in my teaching. I found that my professional experience as a Scientist provided me with a broad view that is useful in assisting students with projects and assignments. My commitment and approach to teaching have been always appreciated by higher authority.

I believe that clear, open communication with students is a key element in helping them learn. Looking back at my own learning experience as a student at a ANDUA&T, University, I greatly value the supportive and caring environment that provides a good university between professors and students. In my prospective career as a professor at your institution, I look forward to working in a collaborative learning and teaching environment with both faculty and students. I am excited at the prospect of teaching plant breeding and I feel that I could contribute to a number of the other courses at both the introductory and intermediate level.

As a Professor I believe teaching and research should go hand in hand. When teaching my courses, I like to incorporate research papers by providing additional materials that complement regular class content. In my opinion, out-of-the-classroom education is the perfect complement to classroom learning and a way to help students become better citizens of the world.

I am enclosing my curriculum vitae and statements of teaching and research interests. If you require any additional information, I am happy to provide it. Thank you very much for consideration of my curriculum vitae.

Yours sincerely

(Raghvendra Tiwari)

Curriculum Vitae

Dr. Raghvendra Tiwari

Assistant Professor

Mob.:- +91-7007328085, +91-9450492261

E-mail:- raghvendra.tiwari@rntu.ac.in, sonushashwat@gmail.com

CARRIER OBJECTIVE:

- To be the part of a dedicated work force of an organization and achieve the targets lay down by the organization using the best of my knowledge and available resources.

CAPABILITY:

- Energetic, self-motivated, skill in problem solving, conflict resolution and quick learner. Capable of working with equal pace and accuracy under mental stress and pressure.

WORK EXPERIENCE (11 Year and 7 Month):

S. No.	Post held	Organization	Period		Duration (Years/ Months/ Days)
			From Date ...	To Date....	
1.	Assistant Professor	RNTU, Raisen	March, 2024	Till Date	1 Year 4 Month
2.	Assistant Professor	Shri C.B. Singh Memorial Shikshan Sansthan, Jhinhak, Kanpur	April, 2022	Feb., 2024	1 Year 11 Month
3.	Livelihood Expert	SRIJAN-NGO, New Delhi	Oct., 2020	March, 2022	1 Year 5 Month
4.	Assistant Professor	Sangam University, Bhilwara	Jan., 2019	Feb., 2020	1 Year 2 Month
5.	Assistant Professor	Bhagwant University, Ajmer	April, 2016	Dec., 2018	2 Year 8 Month
6.	Scientist	GSSBRI, Kushinagar	April, 2014	March, 2016	2 Year
7.	SRF	IIPR, Kanpur	Nov., 2013	March, 2014	5 Month
8.	TA	DRD, Patna	Nov., 2011	July, 2012	8 Month

STUDENTS GUIDED:

Level		Number of Students
Master	Major Advisor	Four
	Co- Advisor	Ten
Doctoral	Major Advisor	Three
	Co- Advisor	Nil

EDUCATIONAL QUALIFICATION:

Sl. No.	Educational Qualification	University/Board	Year of passing	Percentage/ Division	Subject/ Specialization
1	Class X	Board of School Education U.P., Allahabad	1999	52.16% 2 nd Class	English, Hindi, Math-2, Science-2, Social Science, Biology
2	Class XII	Board of School Education U.P., Allahabad	2001	54.60% 2 nd Class	Agriculture
3	B.Sc. (Agriculture)	Deen Dayal University Gorakhpur University Gorakhpur	2005	64.00% 1 st Class	Agriculture
4	M.Sc. (Ag.) Genetics & Plant Breeding	Allahabad Agricultural Institute-Deemed University, Allahabad	2008	68.50% 1 st Class	Specialization in Rice
5	Ph. D. in Genetics & Plant Breeding	N. D. U. A. & T., Kumarganj, Faizabad	2013	76.30% 1 st Class	Specialization in Rapeseed-Mustard
6	B. Ed.	Siddharth University, Kapilvastu, Siddharth Nagar	2021	74.66% 1 st Class	-

RESEARCH PROBLEM:

Ph. D. Thesis Title: “Genetic studies for seed yield and its contributing traits in *Brassica rapa* (L.) var. Yellow sarson”

M.Sc. Thesis Title: “Study on Correlation and Path Analysis in upland rice (*Oriza sativa*)”

COMPUTER SKILLS:

- 6 months certificate course from A.A.I.-D.U., Allahabad.
- Course on Computer Concepts (CCC) from National Institute of Electronics and Information Technology with ‘B’ grade.

OTHER TRAINING PROGRAMME:

- 30 day training on advanced basic concepts of microbiology and biotechnology.
- Orientation of Young Professionals- A Vision Building Process on Livestock based Livelihood: Planning and Management.
- AI Tools with Co-pilot and ChatGPT.

SEMINAR/ CONFERENCE ATTENDED**National**

- National Seminar on “Impact of Modern Agriculture on Environment”
- National Seminar on “The Role of Science in Achieving the United Nations Sustainable Development Goals”

International

- International Conference on “ Agriculture, Allied and Applied Science (ICAAAS-2018)”
- International Conference on “Advances in Agricultural, Biological and Applied Sciences for Sustainable Future (ABAS-2018)”
- International Conference on “Our Power Our Planet: Sustainable Agriculture & Biodiversity in Changing Climate”

FDP ATTENDED:

- Application of sustainable techniques in plant protection organized by Faculty of Agriculture, AISECT group of Universities.
- Recent advances in sustainable crop production organized by Institute of training development and policy research-AGU.
- NEP 2020 Orientation & Sensitization Programme.

BOOK PUBLISHED:

- “Genetic Studies in *Brassica rapa* (L.) Var. Yellow Sarson” published in Lambert Academic Publishing (Online).

WEBINAR ATTENDED

National

1. “Patent and Intellectual Property Rights in Agricultural Research” organized by JNKVV, College of Agriculture.
2. “Health and Environmental Protection During Pandemic Outbreak of COVID-19” organized by Department of Chemistry, Faculty of Science, Sam Higginbottom University of Agriculture Technology & Sciences.
3. “Impact of COVID-19 on Dairy Industries” organized by the Warner College of Dairy Technology, Sam Higginbottom University of Agriculture Technology & Sciences.
4. “Protected Cultivation : Current and Future Status in India” organized by Faculty of Agriculture Science, Bhagwant University, Ajmer-Raj.
5. “Dairy farming for A1 and A2 type milk production” organized by Faculty of Agriculture Science, Sangam University, Bhilwara-Raj.
6. “Impact of COVID-19 on Indian Agriculture” organized by Faculty of Agriculture Science, Sangam University, Bhilwara-Raj.

International

1. “Combating With the Millennium Pandemic COVID-19” organized by American Society for Microbiology (ASM)
2. “COVID-19 and Beyond: Future prospect in Biotechnology” organized by Department of Molecular and Cellular Engineering, Sam Higginbottom University of Agriculture Technology & Sciences.

3. “COVID-19 Pandemic: Crisis and Aftermath” organized by Department of Molecular and Cellular Engineering, Sam Higginbottom University of Agriculture Technology & Sciences.

PATENT GRANTED:

- IOT Based Smart Device for Monitoring the Health of Medicinal and Aromatic Plants.

ACADEMIC AWARD:

"Associate young scientist award" on the occasion of International Conference on “Agriculture, Allied and Applied Science (ICAAAS-2018)” held at Jawaharlal Nehru University, New Delhi.
