Research Works Experience

♣ Student Internship, August 2018 - December 2018

I completed an internship as part of the Rural Agriculture Work Experience Programme. During this internship, I gained hands-on experience in the cultivation and management of various field crops while working on farmers' fields. Additionally, I had the opportunity to organize and lead rural extension programs in numerous villages within the Shamshabad. These programs aimed to educate local farmers on various aspects of agriculture.

♣ Student Internship, January 2019 - May 2019

Student Internship was done under Agricultural Experiential Learning Programme, where we have cultivation and commercial marketing of organic vegetables and flowers.

- ♣ I did my **M.Sc. (Ag.)** in Entomology and worked on **Impact of bio-physical mechanisms on the incidence of rugose spiralling whitefly, *Aleurodicus rugioperculatus* Martin and its eco-friendly management in coconut** under the supervision of **Dr. Jayaraj Padhi (Professor)** in the Department of entomology at **College of Agriculture, OUAT, Bhubaneswar, Odisha.**

- ♣ I did my **Ph. D.** research in Entomology and worked on **“Bio-ecology and Management of Major Insect Pests of Indian Mustard, *Brassica juncea* (L.) Czern and Coss** under the supervision of **Dr. R.K. Meena (Professor)**, Department of Entomology at **Sri Karan Narendra Agriculture University, Jobner, Jaipur, Rajasthan.**
