Father's Name-Mr. Arvind Kumar Jain

DOB - 13/11/1995

Marital Status-Unmarried

Nationality - Indian

LANGUAGES KNOWN

Hindi

English

M.PHARM RESEARCH PROJECT

My project objective is to preparation and characterization of glipizide nanosponges complex to improve its solubility and improve half life. Significance of my project to increase the bioavailability of glipizide.

TECHNICAL SKILLS

- Basic knowledge of instruments like UV spectroscopy, fluidized bed dryer, Disintegration apparatus, Tablet punching machine, Tablet coating machine and other routine lab instruments and equipments.
- Basic understanding of Preformulation study, stages of formulation development and Stability testing of pharmaceuticals.
- Well-versed about solid state characterization of pharmaceuticals.
- Basic understanding of Nano drug delivery systems.
- Computer skills like MS Office (Word, Excel, PowerPoint) End Note Data retrieval from various search engines (PubMed, ScienceDirect, BookSC, Google Scholar) and patent databases report drafting and preparing presentations.

Professional Experience

Total Industrial Experience: 1 Year

Production Department at Sidhi Pharmacy, Lalitpur (U.P)

(Since August 2017- July 2018)

Total Teaching Experience: 4 Year

Work as Assistant Professor at Pahalwan gurudeen college of science and technology, Lalitpur (U.P) - (Since October 2020- Present)

College Responsibilities

Publication director

Training & Placement head

TG Work

KEY ACHIEVEMENTS/ EXTRACURRICULAR ACTIVITIES AND INTERNSHIP

Secured first position in B.pharm first year.

Secured first position in B.pharm second year.

Secured first position in B.pharm third year.

Secured first position in B.pharm Last year.

Gpat Rank - 1798

Niper Rank – 800

I have secured first position in (poster/oral) presentation in national seminar on “Alternative for conducting experiments on animals in pharmacy institutes: challenges & promises”.

Training - One month training in parenteral department From Rainbow Laboratories, Bhopal (M.P.).

Faculty development program on “Quality by design needs exploration in pharmacy profession” sponsored all India Council for technical education organized by Lakshmi narain college of pharmacy, Bhopal 16th to 28th December 2019.

PUBLICATION / RESEARCH WORK

“Solid Dispersion-Method of Enhancement of Dissolution Rate and Increase Bioavailability”- Article published in IJPBS.

Herbal Medicinal Plants in Diabetes Management: Insights From in Vitro Studies Future Directions (Review Article) IAJPS 2024 Vol. 11, Issue 1.

“Preparation and Characterization of Nanosponges” - Article was published in WJPPS.

Phytosomes A Novel Approach for herbal phytoconstituents and diabetes (Review Article) WJPPS 2020 Vol.9, Issue 7.

“Glipizide (Poorly water soluble drug) – Enhancement of Solubility by various Solubilization Technology” - Article have Published in WJPPS.

“Nanosponges of glipizide for enhancement of solubility and dissolution rate”- Research paper have published in WJPPS.

SEMINARS /CONFERENCES ATTENDED

Attended seminar on “Current Approaches in Discovery of Novel Immunomodulatory Constituents from Herbal Origin” held at Bansal College of Pharmacy, Bhopal (M.P).

Attended National Seminar on “ Role of National Education Policy and it’s Impact on Future Pharmacy” held at SMT. Vidyawati College of Pharmacy, Jhansi (U.P).

Attended Two Days International Conference on “Emerging Trends in Drug Safety and Discovery” held on NRI Institute of Pharmacy, Bhopal (M.P).

Declaration

I hereby declare that the above furnished information is factually correct to the best of my Knowledge.

Date Place – Bhopal
