

Curriculum Vitae

Rajesh G

PhD (Electrical & Electronics Engineering) – Thesis Submitted, Anna University, 2025

☐ +918157946773 | ☐ rajeshgidk@gmail.com

Google scholar ID: xYOcvFYAAAAJ | Scopus: 57192974415 | Web of Science ResearcherID:

NGS-3959-2025 | ORCID: 0009-0003-3128-0906

Career Objective

Dedicated researcher and passionate educator with a PhD (Electrical and Electronics Engineering, Anna University – Thesis Submitted 2025), experienced Assistant Professor, and Academic Director with 15+ years of teaching and mentoring. Published in Scopus/Web of Science journals, serving as reviewer for AME and IMechE Part D, and holding UK and Indian design registrations. Seeking a faculty or postdoctoral position to contribute to teaching excellence, high-impact research, and innovation in EVs, Power Electronics, and Control Systems.

Academic Qualifications

- PhD in Electrical and Electronics Engineering – Anna University, Chennai (Thesis Submitted, 2025)
- M.E. Power Electronics and Drives – Anna University
- B.Tech. Electrical and Electronics Engineering – NSS Engineering College, Palakkad
- Diploma in Electronics Engineering – Govt. Polytechnic, Shoranur
- B.Ed. – Teachers Education University, Tamil Nadu

Certifications

- IELTS Teacher Training Certification
- TEFL Certification
- Digital marketing

Academic & Teaching Experience

Assistant Professor – Electrical and Electronics Engineering

EASA College of Engineering & Technology, Coimbatore, India (2016–2019)

- Taught UG/PG courses in Power Electronics, Control Systems, Electrical Machines, and

Circuit Theory.

- Guided UG/PG student projects in Power Electronics, PMSM Drives, and EV Applications.
- Mentored students for GATE, IIT-JEE, and competitive exams.
- Actively contributed to NBA/NAAC accreditation processes and departmental activities.

Founder & Academic Director – IDK Institute, Abu Dhabi (2018–Present)

- Teaching Physics, Mathematics, and Engineering (CBSE, IGCSE, IIT-JEE, NEET).
- Mentoring research projects and student publications.
- Supervising admissions for Open Schooling (NIOS, BOSSE).

Physics Teacher – Emirates Future International Academy, Abu Dhabi (2023)

- Taught Physics for Senior Secondary (CBSE) students.
- Developed exam-oriented teaching resources including question banks and lab activities.

Electrical Engineer (2004–2016)

- Worked as an engineer in different companies in India prior to EASA College.
- Focused on electrical designing .

In *Proceedings of the International Conference on Advances in Computing, Communication and Applied Informatics (ACCAI)*. IEEE. <https://doi.org/10.1109/ACCAI58221.2023.10199869>

Books

Rajesh G., Ram Kumar S., Bhuvaneswari S., Sandip Kumar Das (2025). *Renewable Energy Engineering and Technology*

Professional Recognitions:

Reviewer Recognition

Reviewer, Advances in Mechanical Engineering (SAGE, Web of Science Indexed)
Active reviewer (2025 – Present). Reviewed manuscripts including AME-25-0357 (accepted July 2025) and currently reviewing AME-25-0532 (due Sept 2025).

Invited Reviewer, Proceedings of the IMechE, Part D: Journal of Automobile Engineering (SAGE, Web of Science Indexed)
Invited in 2025; journal later indicated no immediate requirement.

Certificate of Appreciation – The University of Hong Kong (2025)
Recognition for participation in an international peer-review study on academic publishing (Prof. Hugo Horta & Dr. Pubali Ghosh).

Design Registrations (UK & India, 2025)

Solar and Wind-Powered EV Charging Dock with Battery Swap Unit – UK Design No. 6446364.

AI-Based Intrusion Detection Device – UK Design No. 6450393.

Solar Energy Panel with Integrated Heat Pipes – Indian Design Filing.

Awards

Best Researcher Award, Edutech Research Academy, Madurai (Teachers Day Education Awards – TDEA 2025, International Award Ceremony, 5 Sept 2025).

Best Teacher Award, Ekalavya Charitable Trust, Trivandrum (2012).

Research Interests

Electric Vehicle Technology

PMSM Drive Control & Optimization

Power Electronics and Drives

Renewable Energy Systems & Battery Management

Fractional-Order Control and Advanced Controllers

Technical Skills

MATLAB / Simulink

Python

Scilab

MS Office (Word, Excel, PowerPoint)

Web Development Basics

Languages

English – Fluent

Malayalam – Native

Hindi – Conversational

Tamil- Conversational
