

Dr. SHIVANI TIWARI

Orcid ID: <https://orcid.org/0000-0002-4809-4371>

PRESENT ADDRESS

Dr. Shivani Tiwari
Assistant Professor
Department of Biotechnology
Meerut Institute of Engineering and Technology
N.H. 58, Delhi-Roorkee Highway,
Baghpat Bypass Road Crossing
Meerut, Uttar Pradesh.
Mob: 91-9634466255
Email: Shivani.tiwari@miet.ac.in; shivvitiwari@gmail.com

EDUCATION

2024. Doctor in Philosophy (Ph.D). Mahatma Gandhi Central University Bihar (MGCUB), Bihar. Title: Genome Wide Identification and Analysis of GST gene Family in Some Underutilized Plants of Order Caryophyllales.

2019. Master of Science (M.Sc.). Amity University, Lucknow Campus. Subject: Microbiology. Aggregate CGPA: 9.54

2017. Bachelor of Science (B.Sc.). Dr K N Modi Institute of Pharmaceutical Education and Research (CCS University). Subjects: Biotechnology. Aggregate percentage: 74.4%

AWARDS AND HONOURS

Gold medalist in M.Sc.

Scored 3rd position in best oral presentation at NCPBB, Lucknow.

TEACHING EXPERIENCE-

September 25, 2024 - December 30, 2024. Assistant Professor. Uttam Institute of Engineering and Technology, Agra, Uttar Pradesh, India.

January 18, 2025 -Till date. Assistant Professor, Department of Biotechnology and Microbiology, Meerut Institute of Engineering and Technology, Meerut, Uttar Pradesh, India.

TRAINING PROGRAMS/WORKSHOPS ATTENDED

1. Attended microbiology research training at MRD Life Sciences Pvt. Ltd. Lucknow.
2. Attended bioinformatics research training at Acube Life Science Rapture Biotech Lucknow.
3. Attended Two Days Workshop on BIO-Entrepreneurship: upcoming Avenues at Amity University Lucknow.
4. Attended CSIR SDP advanced bioinformatics training at CSIR IICB West Bengal.
5. Presented a research paper at National Conferences on PMPPF at DDU Gorakhpur university.

6. Presented a research paper at National Conference on NCPBB at BIET Lucknow.
7. Presented a research paper in seminar on RAPB at Pondicherry University Puducherry.

COMPUTER KNOWLEDGE

- MS WORD, MS EXCEL, MS PowerPoint and various windows based in silico bioinformatic tools.

TOTAL RESEARCH EXPERIENCE-

August 2025-Till date. Assistant Professor, Meerut Institute of Engineering and Technology.
India

September 2024- December 2024. Assistant Professor. Uttam Group of Institutions, Agra, India

December 2020- May 2024. Research fellow at Mahatma Gandhi Central University Bihar, Motihari, Bihar, India.

RESEARCH INTERESTS

- Bioinformatics analysis – sequence analysis, in- silico genomic identification and characterization with all point details including promoter study, chromosome localization as well as duplication study.
- Computational drug discovery – molecular modelling, molecular docking and structure-based drug design.
- Microbiology – classical microbiological culturing, isolation and biochemical identification.

RESEARCH EXPERTISE/TECHNIQUES KNOWN

- Basics of microbiology including media preparations and microbe culture.
- Antibiotic sensitivity test.
- DNA isolation.
- PCR
- HPLC
- Gel electrophoresis
- Basics of bioinformatics.
- Various databases and tools.
- Homology modelling.
- Molecular docking.
- In silico genomic identification and analysis.
- In silico protein study.

RESEARCH ARTICLES

1. Tiwari, S., Vaish, S., Singh, N. et al. Genome-wide identification and characterization of glutathione S-transferase gene family in quinoa (*Chenopodium quinoa* Willd.). 3 Biotech 13, 230 (2023). <https://doi.org/10.1007/s13205-023-03659-z>
2. Tiwari, S., Vaish, S., Singh, N. et al. In-silico Based Genome-Wide Identification and Analysis of Glutathione S-Transferase Gene Family in Beet (*Beta vulgaris* subsp. *vulgaris*). Sugar Tech 26, 1357–1369 (2024). <https://doi.org/10.1007/s12355-024-01451-8>
3. Tiwari, S. Production and purification of nattokinase from *B. subtilis*. International Journal of Science and Research 12, 531- 534 (2023). DOI: 10.21275/SR23205143811
