PROFESSIONAL EXPERIENCE

Research Analyst | [Kaizzen PR Services Pvt. Ltd, New Delhi](#)

Nov. 2023 – Present

Key Deliverables

- Investigate political, social, and security developments, tracking daily events and media perception to deliver actionable insights.
- Analyse facts and data to counter opponents' narratives, ensuring client positions remain credible and substantiated.
- Aggregate data from PIB, Digital Sansad, ministry dashboards, and independent think tanks to ensure research reliability.
- Create comprehensive research documents for YouTube explainer videos to support strategic communication goals.
- Monitor engagement metrics for YouTube stories and delivered actionable insights to enhance channel performance.
- Author in-depth research material for Op-eds to align with the organization's core narrative and brand positioning.
- Design and execute data-driven political campaign strategies and carry out detailed research on clients' political profiles, achievements, and SWOT analysis, supplemented with quantitative and qualitative social media assessments.
- Monitor social media of political leaders and journalists, evaluating agendas, trends, and emerging influence patterns, identifying key influencers for engagement.

News Analyst | [Times Now Network, Noida, Uttar Pradesh](#)

Jun. 2022 – Sep. 2023

Key Deliverables

- Extracted and evaluated data from multiple sources, formulating concise questions for weekly and prime-time debate programs.
- Interpreted Supreme Court and High Court judgments, summarizing legal outcomes for editorial reference and debate preparation.
- Assisted Input Desk with research queries, preparing structured summaries & debate questions for shows including Frankly & Converse.
- Supported prime-time debate programming by providing in-depth, data-backed research and real-time analysis.
- Compiled analytical research briefs and background notes for national and international news debates.
- Delivered demographic and electoral insights for states such as Karnataka and Gujarat ahead of Assembly elections.
- Formulated high-impact questions and discussion points on foreign affairs, defence, and national security topics to guide editorial focus.

Key Achievements

- Prepared and delivered in-depth security and defense research dossiers for Air Chief Marshal V. R. Chaudhari.
- Developed detailed research dossiers for Chief of Naval Staff Admiral R. Hari Kumar at India Economic Conclave 2023.

- Acknowledged among Top 50 performers at Times Now Network in first year, enhancing research and debate quality.

Content Curator | [Vaco Binary Semantics \(Google News\), Gurugram, Haryana](#)

Jul. 2019 – Jun. 2022

Key Deliverables

- Supervised user queries, updating content labels and structured summaries to ensure timely and relevant news coverage.
- Edited and verified India and U.S. news stories, ensuring factual accuracy, proper grammar, and editorial completeness.
- Monitored and audited India and U.S. news consoles continuously, maintaining real-time updates and consistent content alignment.
- Generated structured summaries and labels for both consoles, streamlining editorial workflow and operational efficiency.
- Resolved process-level issues raised by the US operations team, ensuring timely and accurate delivery.

Key Achievements

- Acknowledged as one of top seven performers during COVID-19 pandemic for exceptional content management and delivery.
- Administered entire Google News application for 3 months, ensuring consistent operational reliability & high-quality content standards.

Trainee Sub-Editor | [United News of India \(UNI\), New Delhi](#)

Sep. 2018 – Jun. 2019

Key Deliverables

- Edited and refined domestic news content across India, ensuring accuracy, clarity, and strict adherence to editorial standards.
- Researched, curated, & monitored India-centric stories covering foreign affairs, defense, strategic developments, & global relations.
- Produced afternoon and evening news digests consolidating political, election, and international developments for editorial teams.
- Coordinated coverage of state assembly elections 2018 & general elections 2019, ensuring timely, fact-checked, & complete reportage.

Key Achievements

- Delivered high-quality content for Foreign Affairs desk, improving India-centric reporting and newsroom operational efficiency.
- Covered election & business events accurately, producing engaging content aligned with editorial standards & publication objectives.

Research Assistant (Intern) | [South Asia Terrorism Portal, New Delhi](#)

Jun. 2018 – Sep. 2018

Key Deliverables

- Collected and validated open-source intelligence on terrorism, militancy, and insurgency across multiple South Asian countries.
- Supported senior researchers in compiling, validating, and reporting comprehensive data on Left Wing Extremism incidents.
- Created structured datasets detailing incidents' location, perpetrators, casualties, and attack typologies for in-depth analysis.
- Documented political, economic, and security developments in regions highly vulnerable to insurgency and armed conflict.
- Maintained detailed numeric logs of fatalities, drone strikes, VBIEDs, and attacks targeting critical infrastructure consistently.

Key Achievements

- Consolidated over 1,200 verified incident entries, enhancing database reliability and regional conflict trend assessment.
- Standardized classification and data consistency, enabling faster access for research teams and intelligence review.
